The Endeavour Learning Trust board and I are delighted to provide the enclosed information about the role and our School. I hope you find it helpful and on behalf of the whole school community, I would like to take this opportunity to extend a very warm welcome.

Endeavour Learning Trust is a growing Trust in the North West, currently spanning South Ribble, West Lancashire and North Sefton. In our family of schools at this point in our growth, we have four secondary schools and two primary schools formally within the Trust.

Our mission and values provide a clear framework for us to work to. We are absolutely committed to serving our communities to ensure that every child achieves their potential by providing the highest quality educational experience in a truly inclusive way.

As a Trust, we don't believe in a one-size-fits-all approach for our schools or our students. We respect and celebrate individuality, working with a clear determination to support our children, colleagues and communities both collectively, and individually, to flourish and thrive through a rich and transformational provision.

We believe in the value of collaboration, and everybody working with the Trust shares a collective responsibility for the success of all of our children. We also recognise that we will never be successful in delivering our vision for our young people unless our colleagues are supported, nurtured and developed to achieve their full potential with us. That's why we are equally committed to ensuring every colleague benefits from the best possible employment experience where high-quality CPD and a sincere approach to supporting wellbeing enable our colleagues to achieve their own aspirations for their career.

We hope the enclosed information will give you good insight into our School & Trust.

## About Tarleton

Tarleton Academy is a thriving rural secondary school, part of the Endeavour Learning Trust family of schools and located at the heart of the village of Tarleton. We continually strive to be a 'Great school at the heart of the Tarleton community' and have ambition to be the number one secondary school choice for all students in the locality.

At our school you will find a caring, supportive and inclusive community; one that is dedicated to celebrating the potential and uniqueness of everyone. To support this commitment, there is a strong curriculum, inspirational and challenging teaching and learning and dedicated pastoral care. In July 2023, this was recognised by Ofsted and we maintained our rating as a 'Good' school.

We pride ourselves on the strength of our relationships with our students, staff and wider community. Our overriding priority is to get to know each of our students as individuals in order for them to excel in all aspects of school life. We have a distinct 'family' feel, with the wellbeing of our staff and students at the forefront of our decision making - our commitment to reducing workload is non-negotiable. We seek to thrive; individually, together, in our classrooms, staffrooms, schools and right across the Trust.

We have recently moved into a brand-new state-of-the-art carbon neutral school building which offers staff and students an unrivalled school experience with modern design and state of the art technology in all classrooms. This development will continue with the landscaping of our outdoor spaces, the completion of a new MUGA and the proposed 3G AstroTurf pitch.
