Outstanding education at the heart of the community

In the case of the 'Battlefield' trip being oversubscribed priority will be given to Year 9 who have opted to take History subject in Year 10 and Year 10 students that are studying History. For all other trips places will be allocated on 'first come first served basis'. In the event of a child being withdrawn from a trip due to oversubscription deposits will be returned.

All the residential trips will include an element of study that students will need to participate in during their visit. Therefore, all students must be prepared to undertake and complete the tasks set.

For the students remaining in school the timetable will continue and students are expected to attend as normal.

Yours sincerely,
