Dear Parents,

Year 8 Virtual Parents Evening

We are pleased to inform you that we will be holding a Year 8 Virtual Parents Evening on Thursday, 4th March between 4pm and 7pm. This event will be hosted via SchoolCloud and this system will allow parents to go online and book individual video meetings with your child's teachers. We would like to discuss their Autumn Term in school, their engagement in remote learning at present, and the road ahead.

We will contact you shortly after the half term break with all the information you will need to be able to book your appointments and we look forward to seeing you virtually on Thursday, 4th March.

Yours faithfully,

Mr T McLardy
