

Parental Consent for the Use of Biometric Information in School

In order that we can protect your child's interests, and to comply with the Protection of Freedoms Act 2012 and the General Data Protection Regulation 2016, please complete this form to confirm or decline your consent to the school taking and using information from your child's fingertip as part of an automated biometric recognition system. This biometric information will be used by Tarleton Academy for the purpose of the Cashless Catering system provided by VeriCool.

If consent is given, you are authorising Tarleton Academy to use your child's biometric information for this purpose only until he/she either leaves the Academy or ceases to use the system. If you wish to withdraw your consent at any time, this must be done so in writing.

Once your child ceases to use the biometric recognition system, his/her biometric information will be securely deleted by the Academy.
