

EXTRA-CURRICULAR ACTIVITIES

September to December 2019 (updated 31/10/19)

Why participate in extra-curricular activities?

“A number of studies revealed that students participating in extra-curricular activities did better academically than students who did not participate” (Marsh & Kleitman, 2002)

One study found that “adolescents who participated in extra-curricular activities reported higher grades, more positive attitudes towards school, and higher academic aspirations” (Darling, Caldwell & Smith, 2005)

“...instrumental music training uniquely enhances the higher brain functions required for mathematics, science and engineering” (Ponter, 1999)

Daily Activities

TIME	ACTIVITY	YEAR GROUP	VENUE	TEACHER
8.00 - 8.45am	Breakfast Club	All Years	Mersey Dining Room	Miss Daly
