Tuesday 14<sup>th</sup> March 2023

Dear Parents,

## New School Building

In less than three weeks' time we will bid farewell to our existing school buildings, returning to our new school after the Easter holidays. As you will be aware, to support the staff in completing their final packing the school will close for Easter on Thursday the 30<sup>th</sup> March, one day earlier than shown in our calendar. Students will be set work to complete remotely for the lessons that would have taken place on the Friday morning.

Following the completion of the packing process the contents of the school will be moved during the Easter holiday. Staff will return to our new building on Monday 17<sup>th</sup> April and will spend the first two days of the new term unpacking and receiving training on the new state-of-the-art ICT equipment installed in each classroom. During these two days remote learning will be provided to ensure that there will be a continuity of education for all, and we look forward to welcoming our students to their new school on Wednesday 19<sup>th</sup> April at 8.45am. This morning will be spent familiarising our students with our fantastic new facility and getting them ready to begin the next stage of their 'Tarleton journey'.

We will be speaking to the students in the coming weeks about our expectations when the move to the new school is complete and the sense of pride we know they will feel in the building. We will also take this opportunity to revisit our uniform and conduct standards as well as our classroom expectations in order that our students make the best possible start when they move to their new school.

Over the last few weeks we have had a number of enquiries from past students and staff asking for an opportunity to have a look around the school before we close. I am happy to say that we will be opening our current buildings to our community for one final look-around on the afternoon of the 21<sup>st</sup> and 22<sup>nd</sup> of March. The school buildings will be open from 4.30pm until 6pm each day and visitors will be allowed to tour the site at their leisure. If you would like to join us for a 'last look around' please let us know who will be attending and on which day by either emailing [enquiries@tarletonacademy.org](mailto:enquiries@tarletonacademy.org) or calling our reception team.

In the weeks following the move we will also be opening our new school to parents and members of our community who would like to come and have a look around, details to follow.

I will continue to update you on the progress of the school move over the coming weeks, including any changes to dates, plans etc. Thank you for your support in what is an incredibly exciting time to be part of the Tarleton Academy family.

Kind regards

Yours sincerely
