Dear Parents,

## Covid 19 – Additional Measures Y11

As you will be aware from our earlier message, we have had a small increase in the number of positive COVID 19 cases at Tarleton and, as such, have introduced a number of additional measures to reduce the spread of the virus within school. A number of the positive cases have been within year 11 so we are asking all year 11 students to take an additional LFT test in school tomorrow, Friday 8<sup>th</sup> October.

We will be using the consent form you previously provided. If this has changed, can you please contact us by 4pm today on [enquires@tarletonacademy.org](mailto:enquires@tarletonacademy.org)

Thank you for your continued support

Yours sincerely,

*V. Hill*
