SLT Information Evenings

Dear Parents,

It was lovely to welcome back our school community this week; the sun shone brightly and it was a pleasure to see all our students chatting and laughing with friends across the school.

Our in-school Covid testing has gone well, helping us to provide a safe environment for us all; but it has highlighted the need for us to continue conducting the LFT tests twice weekly at home (Sundays and Wednesdays) to ensure we identify any member of our school community with Covid at the earliest time possible. Please make sure you log results using our in-school link by clicking [here](#) . We will be proactively following up on those who forget to do so.

We are really pleased to finally be able to finally offer a wide selection of hot and cold food for our students to enjoy. We hope that the issues some of you have experienced with Scopay are now resolved, but please don't hesitate to contact us should there be any further problems.

I would like to take this opportunity to remind you of our SLT Information Evenings which will take place over the next 2 weeks on the following schedule:

Year 7	Tuesday 14th September	6pm
Year 8	Tuesday 14th September	7pm
Year 9	Thursday 16th September	6pm
Year 10	Thursday 23rd September	6pm
Year 11	Thursday 23rd September	7pm

During the evening we will be covering our school ethos, curriculum and pastoral care, working processes; rewards and expectations. There will also be an opportunity to ask individual questions.

If you are able to attend the SLT Information Evening for your child, please [click here](#). We really hope you will be able to join us and meet face to face.

Your sincerely,

V. Hill
