Y7 Chromebooks

Dear Parent,

Please be aware that Year 7 students have received their Chromebooks today. Their induction to Chromebook usage included receiving their logon codes, powering up and logging onto their Chromebooks and signing an Acceptable Use Agreement which explains the terms under which the Chromebooks may be used in school. A complete version of this document is attached.

All students have received a logon codes sheet which includes their Google classroom, email and Classcharts logons as well as the parental logon code for Classcharts which you can use to track your child's achievement points, homework etc.

Regards,

Mr S. Day
