Dear Parent/Carer,

**Free School Meal Offer 2024-25**

I am writing to inform you of our 2024-25 free school meal offer. This offer ensures every child eligible for free school meals has access to nutritious food throughout the school day.

**Breakfast Offer:** While breakfast is not included in the free school meal allowance, we are committed to preparing students for learning. Therefore, we are providing a £0.65 allowance each morning for students to access breakfast items at our school kitchen. This offer includes items such as toast, crumpets, bagels, pancakes, waffles, and porridge. Additionally, free fruit will be available each morning to complement their breakfast choice. Drinks cannot be purchased with this allowance as water is readily available throughout the school day.

**Lunch Offer:** Each student will receive a daily meal allowance of £2.60 for lunch, ensuring access to nutritious meals. This funding is restricted to ensure it is utilised for a meal and cannot be solely used for purchasing snacks and drinks.

We are working to continually improve the catering offer available to students and we will be developing a dedicated page on the school website informing parents of what is available to students throughout the school year.

If you have any queries, please do not hesitate to get in touch.

Yours faithfully,

Mr S. Parker
