

A CLEARER VIEW OF ATTENDANCE

Helping students understand and take ownership of their attendance.

WHAT IS WMA?

What's My Attendance gives students a simple view of their recorded attendance. They can check daily and weekly attendance, see their current streak, follow progress over time and view the achievements they have unlocked - or are close to unlocking.

WHAT STUDENTS CAN SEE

DAILY ATTENDANCE - Attendance marks across the school year.

WEEKLY ATTENDANCE - Weekly snapshots and changes over time.

STREAKS - Their current streak and personal best.

PROGRESS - Their attendance trend at a glance.

ACHIEVEMENTS MAKE PROGRESS VISIBLE

Students can unlock badges for streaks, full weeks, Monday and Friday attendance, and longer term milestones. WMA also shows the achievement that is closest next - giving students a clear goal to notice and work towards.

CELEBRATING POSITIVE HABITS

SUPPORTING CONVERSATIONS AT HOME

Try asking: "What does your attendance screen show this week?" • "Which achievement are you closest to unlocking?" • "What could help you keep building your streak?"
