

2nd November 2020

Dear Parent,

Yr 9 HPV Vaccine

On Friday, 13th November the Immunisation Team will be in school to carry out the Year 9 HPV vaccinations. If you would like your child to receive the HPV vaccine in school, please follow this link to complete an online consent form;

<https://www.nhsimms.uk/HPV/information?id=137768&Type=HPV> The link will close on Tuesday 10th November 2020.

When accessing the link you will notice that the NHS site is tailored to year 8 children, this is because the HPV vaccination is usually given to this year group. However, due to school closures as part of the COVID lockdown we were unable to administer this last year. For this reason, we are currently vaccinating year 9s.

If you have any problems accessing the link please telephone Laura Wickstead, Immunisation Team, on 0333 358 3397, option 6.

If you require any further information please do not hesitate to contact me on 01772 812644.

Kind regards,

S A Rooney
