

Friday 23<sup>rd</sup> October 2020

Dear Parents,

**Virtual Tutor Evening - Parent Feedback**

Thank you for joining us on our first ever Virtual Year 7 Parents' Evening last night. The feedback from our staff was overwhelmingly positive and whilst we missed talking to you face to face, we hope you will agree that it was the next best thing in order to discuss your child's transition and engagement in their first term at Tarleton Academy. Despite the difficulties that we all face, we are committed to finding the best solutions so that we can continue to establish a partnership that is focused on the education and wellbeing of your child.

On a 'normal' Parents' Evening we would ask you to complete a questionnaire and give us feedback and your observations of how we operate as a school and how we can make our partnership even better. With this in mind, we would appreciate it if you could take a couple of minutes to click on this link and answer a few short questions <https://forms.gle/2dYiYfNK25oCDDJA8>. This link will be open for one week and will close on Friday 30th October.

We wish you and your family well over this half term period and look forward to welcoming your child back on Monday 2 November at 8.45am.

Yours faithfully,

Mr T McLardy

Mr T McLardy

Assistant Headteacher - Curriculum and Assessment

*Outstanding education at the heart of the community*
