Lesson activity prompts and planning grid

Section	Planning Prompts	Your Notes
0. Introduction & Expectations	• How will you introduce yourself confidently and set a positive tone? • How will you explain what the lesson is about? • What expectations or ground rules will you set? • What will you do in the first 2 minutes to help pupils feel safe, welcome, and ready to learn?	
1. Learning Objective or Aim	• What should learners understand or be able to do by the end of the lesson? • How does this fit in with their learning?	
2. Starter	• What question, image, or prompt could spark curiosity and get everyone thinking? • How will you link to prior learning or experience?	
3. Teaching & Explanation	• What key points, examples, or demonstrations will you give? • What might you have to model or demonstrate? • How will you explain clearly and check for understanding?	
4. Student Activity	• What will pupils do to apply or practise the new learning? • How will you support them or give feedback? • How will you check they have understood and been successful?	
5. Review / Wrap-Up	• How will you summarise learning? • What question, task, or reflection will help learners recognise what they've achieved?
