

# Teach West London's

## Continued Professional Development Hub Info Alert

### RISE attendance and behaviour hubs programme

The programme is a national initiative designed to support schools in improving pupil attendance and behaviour. Led by schools with strong practice, it aims to support school leaders to reflect on current systems, share effective practice and implement changes.

Senior leaders with responsibility for attendance and behaviour who are seeking to strengthen their school's leadership, culture and systems can find further information [here](#). A list of lead schools is also available [here](#).

#### Upcoming RISE Conferences

A virtual conference about attendance and attainment for primary leaders on 4-5th March. Details and booking [here](#).

Mainstream Inclusion regional in-person conferences between 4 -20th March. Details and booking [here](#).

#### London RISE launch Open Education Fortnight (9-18th March 2026)

#### London RISE

Over one hundred schools are opening their doors between **March 9th and March 18th 2026** to other education professionals to share strong effective practice in the four national education priority areas:

ATTENDANCE

INCLUSION

BEST START IN LIFE

ATTAINMENT

The London RISE Open Education Fortnight is a collaborative pan-London initiative dedicated to showcasing and sharing exemplary educational practices that are making a positive impact on children's learning and development across all age phases.

Colleagues across London are generously sharing their work, free of charge, by hosting visits for other professionals.

**Make sure you and your school/education teams take the opportunity to visit one or more of our London RISE open education fortnight host schools.**

This is a great opportunity to extend teachers' and educational leaders' professional growth and learning.

To find out more and to book a visit to one of the schools taking part, visit the [London RISE Education Fortnight](#) website or scan the QR code

Maths Hubs bring together teachers and experts to improve maths education through free, high-quality professional development. Funded by the DfE, your local Maths Hub is part of a national network that shares effective teaching approaches and resources. View their current opportunities [here](#).

## Maths Hub

**View opportunities for teachers with the passion and potential to lead Teaching for Mastery in their school:**

- [Primary Mastery Specialist Programme](#)
- [Secondary Mastery Specialist Programme](#)
- [Mastering Number at Reception and KS1](#)

## Computing Hub

The National Centre for Computing Education offers online courses and accreditation. Visit [here](#).

## Thames West Language Hub

The National Consortium for Languages Education have launched *Language Educators Online*, a free professional learning platform for language teachers. Find out more and register [here](#).
