PROGRAMME & CODE	LENGTH OF PROGRAMME	IN BRIEF	PROPOSED DATES AND TIMES		COST
Excellent provision for high potential learners	6 x 2 hour afternoon sessions	This programme explores best practices in inclusive subject identification and ways to accelerate progress for all learners by providing high levels of stretch and challenge day in, day out in a time-efficient manner. Disadvantaged high potential learners are often under-identified and, whether identified or not, frequently underperform so the workshops will maintain a focus on strategies to support, challenge and encourage this group.	Monday 8th November 2021 Monday 10th January 2022 Wednesday 23rd February 2022 Thursday 21st April 2022 Wednesday 18th May 2022 Wednesday 15th June 2022	16:00 - 18:00 16:00 - 18:00 16:00 - 18:00 16:00 - 18:00 16:00 - 18:00 16:00 - 18:00	LWA members & membership schools £240 per delegate  Other schools £285 per delegate

Raising achievement at A-A* at A2 RA	6 x 2 hour afternoon sessions	The Raising achievement programme enables KS5 teachers to add challenge and rigour to their lessons to enable the highest outcomes from their students.	<b>Location: Lampton School</b>		<b>FREE</b> for LWA & Membership Schools Other schools £395 per delegate Minimum of 8 participants
			Tuesday 7th December 2021 Thursday 6th January 2022 Tuesday 8th February 2022 Tuesday 15th March 2022 Friday 22nd April 2022 Friday 20th May 2022	13:30 - 15:30 13:30 - 15:30 13:30 - 15:30 13:30 - 15:30 13:30 - 15:30 13:30 - 15:30	

High quality TA Practice in primary schools	2 hour session	This session explores what it takes to be a high-quality TA. The facilitators will share their vast experience of working in the classroom, from leading sessions to assisting learning within a lesson. Delegates will be presented with useful tools and tips that help to have the maximum impact on our learners on a daily basis.	<b>Spring Term</b>		<b>FREE</b> for LWA & Membership Schools Other schools: £45 per delegate and £80 for two delegates
			<b>Location: The Blue School</b>		
			Tuesday 18th January 2022	16:00 - 18:00

PROGRAMME & CODE	LENGTH OF PROGRAMME	IN BRIEF	PROPOSED DATES AND TIMES	COST
Meet the Expert Motivation	2 hour session	<b>Motivation in the classroom with Dr Lynne Isham</b> In this workshop, Dr Isham will draw on theories from the field of cognitive motivation to explore classroom approaches that are more likely to foster positive attitudes towards learning at the level of the individual lesson and over time.	<b>Location:</b> Lampton School  Tuesday 19th October 2021 16:00 - 18:00	FREE for LWA & Membership Schools  Other schools: £45 per delegate and £80 for two delegates
Meet the Expert Primary science	2 hour session	<b>Using simulations to support primary science with Dr Richard Branch</b> Technology can play an important role in helping pupils to learn abstract scientific concepts. This can be through animations, simulations and videos...” (Ofsted research review, 2021). In this session we will explore simple-yet-powerful simulations that address topics in science, including light, sound, electricity, levers, springs, force and motion.	<b>Location:</b> Webinar  Wednesday 20th October 2021 16:00 - 18:00	FREE for LWA & Membership Schools  Other schools: £45 per delegate and £80 for two delegates
Meet the Expert Time Management	2 hour session	<b>Investing time wisely with Mary Phillips</b> Classroom teachers juggle many roles and with full teaching timetables are often looking for ways to use time well to get their planning, marking and feedback done to a high quality, whilst also teaching great lessons - not to mention leading busy lives outside of work!	<b>Location:</b> Lampton School  Wednesday 3rd November 2021 16:00 - 18:00	As per policy

<p>Meet the Expert PSHE</p> 	<p>1.5 hour session</p>	<p><b>Implementing statutory relationships and health education KS1-2 with Karen Summers</b> This online course will help PSHE leads to plan and deliver high quality inclusive RSE and Health Education within the context of a broader PSHE education curriculum.</p>	<p><b>Location:</b> Webinar  Wednesday 3rd November 2021 16:00 - 17:30</p>	<p>As per policy</p>
<p>Meet the Expert Effective differentiation</p>	<p>1.5 hour session</p>	<p><b>Differentiation primary with Phyllis Bridge</b> How to engage EAL learners in the classroom. Practical strategies for teaching EAL learners at EYF, KS1 and KS2.</p>	<p><b>Location:</b> Webinar  Thursday 4th November 2021 16:00 - 17:30</p>	<p>FREE for LWA &amp; Membership Schools  Other schools: £45 per delegate and £80 for two delegates</p>
<p>Meet the Expert History</p> 	<p>2 hour session</p>	<p><b>Getting Ofsted ready, planning a knowledge-rich history curriculum at KS3 with Andrew Wrenn</b> The OFSTED framework features deep dives where history subject leaders face careful scrutiny of their departments and curriculum plans.  But how can a history department best prepare the kind of knowledge-rich KS3 inspectors expect to see? This practical workshop will clearly set out OFSTED expectations with examples of how these can be met without compromising best practice in the subject, to create a challenging and relevant KS3 History curriculum.</p>	<p><b>Location:</b> Webinar  Monday 8th November 2021 16:00 - 18:00</p>	<p>As per policy</p>

<p>Meet the Expert Biology Challenging the more able</p> 	<p>2 hour session</p>	<p><b>Challenging more able students in KS3/4 science with Dr Eleanor Smith</b> Share ideas about how to create a challenging classroom environment to support and engage students of higher ability in science lessons. We will link this to Teaching Standard 5 “Adaptive Teaching” on the new ITT Core Content Framework (CCF)/ Early Career Framework (ECF).</p>	<p><b>Location:</b> Lampton School</p> <p>Tuesday 9th November 2021 16:00 - 18:00</p>	<p>FREE for LWA &amp; Membership Schools</p> <p>Other schools: £45 per delegate and £80 for two delegates</p>
<p>Meet the Expert Music Composition</p> 	<p>2 hour session</p>	<p><b>Composition at keys stages 2 (and 3), including the use of music technologies to enable and record this with Professor Alison Daubney</b> This session will explore multiple practical ways into improvising and composing and what this might look and sound like across the different stages of education. It will use instruments, voices and technologies and introduce a range of materials to help teachers in primary and secondary schools to promote the creating and making of music across their own curriculum and school community.</p>	<p><b>Location:</b> Webinar</p> <p>Wednesday 17th November 2021 16:00 - 18:00</p>	<p>As per policy</p>

<p>Meet the Expert</p> <p>History Primary</p>	<p>1 session</p>	<p><b>Weaving black British history into the Primary History curriculum with Andrew Wrenn</b> How to reach beyond the traditional black history month to weave more black and Asian history into primary history within NC requirements.</p> <p>Andrew will be running the following sessions: <b>Weaving african history into the Primary History curriculum and Weaving british south asian into the Primary History curriculum.</b></p> <p>Please see page 27 if you would like to book all 3 sessions</p>	<p><b>Location:</b> Webinar</p> <p>Thursday 18th November 2021 16:00 - 18:00</p>	<p>As per policy</p>
<p>Meet the Expert</p> <p>Art</p> 	<p>1.5 hour session</p>	<p><b>Autumn colours - Watercolour sketches with Amanda Randall</b> Working from observation, learn to control your pencil and use watercolour paints to show tone, form and texture. Produce carefully observed studies of autumn leaves or plants. These are skills your whole class can learn.</p>	<p><b>Location:</b> Webinar</p> <p>Wednesday 24th November 2021 16:00 - 17:30</p>	<p>As per policy</p>

<p>Meet the Expert Using simulations to support secondary science</p>	<p>2 hour session</p>	<p><b>Using simulations to support secondary science with Dr Richard Branch</b> Technology can play an important role in helping pupils to learn abstract scientific concepts. This can be through animations, simulations and videos...” (Ofsted research review, 2021). In this session we will explore simple-yet-powerful simulations that address topics in physics, including energy, electricity, matter, motion, force, light and waves.</p>	<p><b>Location:</b> Webinar  Tuesday 30th November 2021 16:00 - 18:00</p>	<p>FREE for LWA &amp; Membership Schools  Other schools: £45 per delegate and £80 for two delegates</p>
<p>Meet the Expert Brain and memory</p>	<p>2 hour session</p>	<p><b>Understanding the Brain and how memory works with Jovita Tung Leung from UCL</b> In this workshop, Jovita will draw on evidence from developmental psychology and neuroscience to describe the changes that occur in the brains of children and adolescents, and the implications they have for teachers.</p>	<p><b>Location:</b> Webinar  Wednesday 12th January 2022 16:00 - 18:00</p>	<p>As per policy</p>
<p>Meet the Expert PSHE</p> 	<p>1.5 hour session</p>	<p><b>Teaching mental wellbeing and physical health in PSHE education KS1 - 2 with Karen Summers</b> This online course will explore how to effectively teach these topics within a planned PSHE curriculum.</p>	<p><b>Location:</b> Webinar  Wednesday 12th January 2022 16:00 - 17:30</p>	<p>As per policy</p>

<p>Meet the Expert Primary science</p>	<p>3 sessions</p>	<p><b>Using practicals in primary science with Dr Richard Branch</b> Practical work is integral to school science, but sometimes lacks structure in the classroom. Here we will explore a straightforward framework for conducting effective practicals in primary science. We will practice using the framework with hands-on biology, chemistry and physics practicals. (Nb: experiments will be different to last year's session!).</p>	<p><b>Location:</b> Lampton School Face-to-face  Tuesday 18th January 2022 16:00 - 18:00</p>	<p>FREE for LWA &amp; Membership Schools  Other schools: £45 per delegate and £80 for two delegates</p>
<p>Meet the Expert Questioning</p>	<p>2 hour session</p>	<p><b>The art of questioning with Joy Morgan</b> Ted Wragg estimates that teachers ask 70,000 questions a year in their classrooms! This workshop will consider how we can ask better questions to deepen understanding, check and consolidate learning, inclusive practice and assessment for learning so getting it right really matters.</p>	<p><b>Location:</b> Lampton School  Wednesday 19th January 2022 16:00 - 18:00</p>	<p>As per policy</p>
<p>Meet the Expert Religious studies</p> 	<p>2 hour session</p>	<p><b>Creative lesson ideas for religious studies with Julia Diamond-Conway</b> Introduction to a range of activities to enliven RE lessons and engage pupils. This session is designed to empower you to bring dynamic, confident RE teaching into your school. Classroom ideas will be varied and will focus on a range of different world views.</p>	<p><b>Location:</b> Webinar  Thursday 20th January 2022 16:00 - 18:00</p>	<p>As per policy</p>

<p>Meet the Expert Writing an impactful &amp; meaningful school documentation</p> 	<p>2 hour session</p>	<p><b>Writing an impactful &amp; meaningful school documentation with Johnnie Pavey</b> Do you know how well your school/department is performing? What are your key strengths and area of development? How can you achieve your aims via action planning? Your SEF/SIP should not be meaningless exercises but strategies to achieve the core purpose of your school and support the teaching and learning process. In this session, Johnnie will share the key principles to write an impactful school documentation.</p>	<p><b>Location:</b> Webinar  Tuesday 8th February 2022 16:00 - 18:00</p>	<p>FREE for LWA &amp; Membership Schools  Other schools: £45 per delegate and £80 for two delegates</p>
<p>Meet the Expert Differentiation Secondary</p>	<p>1.5 hour session</p>	<p><b>Differentiation secondary with Phyllis Bridge</b> How to engage EAL learners in the classroom. Practical strategies for teaching EAL learners at KS3 and KS4.</p>	<p><b>Location:</b> Webinar  Thursday 10th February 2022 16:00 - 17:30</p>	<p>FREE for LWA &amp; Membership Schools  Other schools: £45 per delegate and £80 for two delegates</p>
<p>Meet the Expert Geography COP26 &amp; your geography curriculum</p> 	<p>2 hours session</p>	<p><b>Climate change session with Alan Parkinson</b> Alan will share the outcomes of the GA's work to develop resources linked to COP26 and provide support for introducing elements of the climate emergency into your own curriculum planning. Links will be made with the Sustainable Development Goals and reference made to strategies for supporting young people with eco-anxiety and hopeful pedagogies.</p>	<p><b>Location:</b> Webinar  Wednesday 23rd February 2022 16:00 - 17:30</p>	<p>As per policy</p>

<p>Meet the Expert Music Learning skills</p> 	<p>2 hour session</p>	<p><b>Sequencing learning and skill development from years 1 - 6 with Professor Alison Daubney</b> This session will explore the inter-relationship between curriculum, pedagogy and assessment in order for teachers to develop a strong, relevant and rich music curriculum in their own settings. Drawing upon the well-renowned and freely available ISM resources authored by Dr Ally Daubney and Professor Martin Fautley and a range of curriculum models, teachers will be encouraged to develop their own curriculum offer that will be inspiring and relevant to their own school community.</p>	<p><b>Location:</b> Webinar  Thursday 3rd March 2022 16:00 - 18:00</p>	<p>As per policy</p>
<p>Meet the Expert MFL</p>	<p>2 hour Session</p>	<p>TBC</p>	<p><b>Location:</b> Webinar  Monday 7th March 2022 16:00 - 18:00</p>	<p>As per policy</p>
<p>Meet the Expert English Secondary</p> 	<p>1 hour 15 minute session</p>	<p><b>Creatively Critical at AL with Barbara Bleiman and Lucy Webster</b> This webinar will introduce ways of developing students' critical thinking and writing through creative approaches. We will model these strategies using short texts, indicating ways in which they can be adapted for your own set texts.</p>	<p><b>Location:</b> Webinar  Wednesday 9th March 2022 16:15 - 17:30</p>	<p>As per policy</p>

<p>Meet the Expert Game for learning</p> 	<p>2 hour session</p>	<p><b>Games for learning and engagement with Joy Morgan</b> Research indicates that if teachers present an activity as a ‘game’, learners will focus on it for longer and try harder. This workshop allows you to try out some learning activities which can be presented as inclusive games yet have a very solid learning outcome.</p>	<p><b>Location:</b> Lampton School</p> <p>Wednesday, 9th March 2022 16:00 - 18:00</p>	<p>As per policy</p>
<p>Meet the Expert Resilience</p> 	<p>2 hour session</p>	<p><b>Building resilience - the next steps with Joy Morgan</b> Teachers are quite familiar with the work of Carol Dweck on Growth Mindset. This workshop will consider the implications of her work for the classroom and at home and what comes after growth mindset. Participants will leave with a deeper understanding and set of tools to support learners who may have found learning fairly easy so far and struggle to cope when they come across something tricky, or those who have become perfectionists.</p>	<p><b>Location:</b> Lampton School</p> <p>Wednesday 23rd March 2022 16:00 - 18:00</p>	<p>As per policy</p>

<p>Meet the Expert</p> <p>History Primary</p>	<p>1 session</p>	<p><b>Weaving african history into the primary history curriculum with Andrew Wrenn</b> How to reach beyond the traditional black history month to weave more black and Asian history into primary history within NC requirements.</p> <p>Andrew will be running the following sessions: <b>Weaving black british history into the Primary History curriculum and Weaving british south asian into the Primary History curriculum.</b></p> <p>Please see page 27 if you would like to book all 3 sessions</p>	<p><b>Location:</b> Webinar</p> <p>Thursday 24th March 2022 16:00 - 18:00</p>	<p>As per policy</p>
<p>Meet the Expert</p> <p>Art</p> 	<p>2 hour session</p>	<p><b>Cityscape collage with Amanda Randall</b> Create a sense of depth and perspective using easily available materials. Your students will enjoy making this local scene.</p>	<p><b>Location:</b> Lampton School</p> <p>Friday 25th March 2022 13:30 - 15:30</p>	<p>As per policy</p>
