PROGRAMME & CODE	LENGTH OF PROGRAMME	IN BRIEF	PROPOSED DATES AND TIMES	COST
Meet the Expert Science Primary	1.5 hour session	<p>Using practicals in primary science with Dr Richard Branch</p> <p>Practical work is integral to school science, but sometimes lacks structure in the classroom. Here we will explore a straightforward framework for conducting effective practicals in primary science. We will practice using the framework with hands-on biology, chemistry and physics practicals. (Nb: experiments will be different from last session!).</p>	<p>Location: Lampton School Face-to-face</p> <p>Thursday 20th October 2022 16:00 - 17:30</p>	<p>FREE for LWA & Membership Schools</p> <p>Other schools: £45 per delegate and £80 for two delegates</p>
Meet the Expert Science Secondary	1.5 hour session	<p>Using simulations to support secondary science with Dr Richard Branch</p> <p>Technology can play an important role in helping pupils to learn abstract scientific concepts. This can be through animations, simulations and videos...” (Ofsted research review, 2021). In this session we will explore simple-yet-powerful interactive simulations that address topics in physics, including energy, electricity, matter, motion, force, light and waves.</p>	<p>Location: Webinar</p> <p>Wednesday 9th November 2022 16:00 - 17:30</p>	<p>FREE for LWA & Membership Schools</p> <p>Other schools: £45 per delegate and £80 for two delegates</p>
Meet the Expert Motivation Cross-phase	1.5 hour session	<p>Motivation in the classroom with Dr Lynne Isham</p> <p>In this workshop, Dr Isham will draw on theories from the field of cognitive motivation to explore classroom approaches that are more likely to foster positive attitudes towards learning at the level of the individual lesson and over time.</p>	<p>Location: Lampton School Face-to-face</p> <p>Wednesday 23rd November 2022 16:00 - 17:30</p>	<p>FREE for LWA & Membership Schools</p> <p>Other schools: £45 per delegate and £80 for two delegates</p>

<p>Meet the Expert Questioning Cross-phase</p>	<p>2 hour session</p>	<p>The art of questioning with Joy Morgan Ted Wragg estimates that teachers ask 70,000 questions a year in their classrooms! This workshop will consider how we can ask better questions to deepen understanding, check and consolidate learning, inclusive practice and assessment for learning so getting it right really matters.</p>	<p>Location: Lampton School (face-to-face) Wednesday 23rd November 2022 16:00 - 17:30</p>	<p>As per policy</p>
<p>Meet the Expert Behaviour Cross-phase</p> 	<p>1.5 hour session</p>	<p>Engaging the disengaged in the classroom with Rafael Gomez It can be extremely frustrating and difficult to deal with a student who is disengaged and disaffected and there is no secret formula you can try in the classroom. However, engaging disengaged students starts by understanding why they are disengaged - we will explore this from an ACEs and Mental Health perspective in this session.</p>	<p>Location: Webinar Wednesday 30th November 2022 16:00 - 17:30</p>	<p>As per policy</p>
<p>Meet the Expert Art Primary</p>	<p>2 hour session</p>	<p>Autumn colours - Watercolour sketches with Amanda Randall Working from observation, learn to control your pencil and use watercolour paints to show tone, form and texture. Produce carefully observed studies of autumn leaves or plants. These are skills your whole class can learn.</p>	<p>Location: Lampton School Face-to-face Friday 2nd December 2022 13:30 - 15:30</p>	<p>As per policy</p>

<p>Meet the Expert History Primary</p> 	<p>2 hour session</p>	<p>From Lindisfarne to 1066; What is the legacy of the Vikings? with Andrew Wrenn Were the Vikings raiders, traders, conquerors or settlers? Find out in this fascinating look at the impact of the Vikings. Discover how they affected not just Anglo-Saxon England but also Western Europe, the North Atlantic (where they settled in Iceland and Greenland, even reaching North America) and also Russia and the Middle East, where they became mercenary bodyguards to East Roman Emperors.</p>	<p>Location: Webinar Wednesday 7th December 2022 16:00 - 17:30</p>	<p>As per policy</p>
<p>Meet the Expert PHSE Secondary</p> 	<p>1.5 hour session</p>	<p>Leadership & Management being prepared for Ofsted with Karen Summer This session will examine the statutory requirements relating to PSHE education and help to develop PSHE leads' understanding of how effective PSHE provision can enhance inspection evidence. There will be an opportunity to explore practical ideas for how to evidence PSHE education's contribution, particularly to the personal development judgement.</p>	<p>Location: Webinar Tuesday 13th December 2022 16:00 - 17:30</p>	<p>As per policy</p>
<p>Meet the Expert Time Management Cross-phase</p>	<p>2 hour session</p>	<p>Investing time wisely with Joy Morgan Classroom teachers juggle many roles and with full teaching timetables are often looking for ways to use time well to get their planning, marking and feedback done to a high quality, whilst also teaching great lessons - not to mention leading busy lives outside of work!</p>	<p>Location: Webinar Wednesday 11th January 2023 16:00 - 18:00</p>	<p>As per policy</p>

<p>Meet the Expert Online safety Secondary</p> 	<p>2 hour session</p>	<p>Towards more effective online safety. Be Ofsted ready with Simon Finch This course is for teachers and school leaders. The course will include Ofsted requirements relating to online safety and provide practical support for teachers in the areas of online abuse, radicalisation, mental health, digital literacy, and online reputation.</p>	<p>Location: Webinar Wednesday 11th January 2023 16:00 - 17:30</p>	<p>As per policy</p>
<p>Meet the Expert Geography Secondary</p>	<p>2 hour session</p>	<p>Cross-curricular thinking in Geography with Alan Parkinson Break out of your geography subject silo and explore possible overlaps with other curriculum areas which may free up curriculum time and introduce exciting joint working with History, Science, English and Mathematics colleagues. Think about some ‘big’ questions or issues that could be viewed through different subject lenses.</p>	<p>Location: Webinar Wednesday 18th January 2023 16:00 - 17:30</p>	<p>As per policy</p>
<p>Meet the Expert Science Primary</p>	<p>1.5 hour session</p>	<p>Using simulations to support primary science with Dr Richard Branch Technology can play an important role in helping pupils to learn abstract scientific concepts. This can be through animations, simulations and videos...” (Ofsted research review, 2021). In this session, we will explore simple-yet-powerful interactive simulations that address topics in science, including light, sound, electricity, force and motion. (Nb: simulations will be different from last session!).</p>	<p>Location: Webinar Thursday 19th January 2023 16:00 - 17:30</p>	<p>FREE for LWA & Membership Schools Other schools: £45 per delegate and £80 for two delegates</p>

<p>Meet the Expert Understanding adolescent brain development Secondary</p>	<p>1.5 hour session</p>	<p>Understanding adolescent brain development: Implications for learning and decision making with Emily Towner Adolescence is a profound period of social, cognitive, and neural change. This extended period of neurodevelopment means adolescence is a both a time of opportunity and of vulnerability. Understanding the adolescent brain can give insights allowing us to contribute to the development of lifelong mental health and wellbeing.</p>	<p>Location: Webinar Monday 23rd January 2023 16:00 - 17:30</p>	<p>As per policy</p>
<p>Meet the Expert History Secondary</p> 	<p>2 hour session</p>	<p>Teaching the British Empire at KS3 with Andrew Wrenn British Imperial history presently takes centre stage as being one of the most contested and controversial areas of study in the whole curriculum. This practical session will show how the history of the British Empire might be navigated and planned for</p>	<p>Location: Webinar Wednesday 25th January 2023 16:00 - 17:30</p>	<p>As per policy</p>
<p>Meet the Expert Religious studies Secondary</p> 	<p>1.5 hour session</p>	<p>Ofsted-Ready RE: Deep Dives and the Research Review with Angela Hill A concise but comprehensive introduction to the latest Ofsted thinking around RE, including what inspectors are saying about secondary RE, and what to expect if RE is subject to a 'deep dive' at your school. Gain a clear insight into Ofsted's recent Research Review into RE, and its implications.</p>	<p>Location: Webinar Thursday 26th January 2023 16:00 - 17:30</p>	<p>As per policy</p>

<p>Meet the Expert MFL Secondary</p> 	<p>2 hour session</p>	<p>Teaching KS3 with the new GCSE in view with Victoria Hobson In this session you will explore the implications of the new GCSE for our teaching now at KS3 (and soon at KS4) in particular, vocabulary, phonics, speaking and reading. Ideas are exemplified with resources in French, German and Spanish that are freely available.</p>	<p>Location: Webinar Monday 30th January 2023 16:00 - 17:30</p>	<p>As per policy</p>
<p>Meet the Expert Computing Primary</p> 	<p>1.5 hour session</p>	<p>Coding Across the Curriculum with Martin Bailey Develop 'Coding Across the Curriculum' with this session jam-packed full of physical and digital activities for the teaching of coding and computational thinking for pupils of all ages from EYFS - Year 6. See a clear progression of skills and take away loads of great ideas which can immediately be implemented in the classroom.</p>	<p>Location: Webinar Wednesday 1st February 2023 16:00 - 17:30</p>	<p>As per policy</p>
<p>Meet the Expert History Secondary</p> 	<p>1.5 hour session</p>	<p>But what about Ukraine? Teaching emotive and controversial history in the secondary classroom with Andrew Wrenn This practical webinar will consider how history teachers might respond via direct teaching, through assemblies or joint planning with Citizenship staff. It will show how emotive and controversial history (whether directly linked to current events or not) might be approached with confidence rather than avoided. Updated reference will be made to the Historical Association's important Teaching Emotive and Controversial History 3-19 report of which the presenter was a co-author.</p>	<p>Location: Webinar Thursday 2nd February 2023 16:00 - 17:30</p>	<p>As per policy</p>

<p>Meet the Expert Geography Secondary</p>	<p>2 hour session</p>	<p>An introduction to GIS with Alan Parkinson This session will introduce a range of ideas for making use of Geographical Information Systems (GIS) in the geography classroom and on fieldwork. Reference will be made to ArcGIS Online and Digimap for Schools and offer suggestions for making GIS part of your everyday teaching.</p>	<p>Location: Webinar Wednesday 8th February 2023 16:00 - 17:30</p>	<p>As per policy</p>
<p>Meet the Expert History Primary</p> 	<p>2 hour session</p>	<p>Boosting subject knowledge at KS2; Investigating past civilizations with Andrew Wrenn <i>*Multi session booking but can also be booked as an individual session</i></p> <p>What have the ancient Greeks ever done for us? This practical webinar will add to your academic knowledge of the Ancient Greeks. It will also model how content can be shaped in to a coherent medium term plan with learning organised under rigorous historical enquiry questions, featuring overviews and studies in depth, and focusing on subject-specific concepts such as ‘Cause and Consequence’ or ‘Change and Continuity’.</p> <p>What is the legacy of Ancient Egypt? How do we investigate the Ancient Maya?</p>	<p>Location: Webinar Thursday 9th February 2023 16:00 - 17:30</p> <p>See page 26 See page 27</p>	<p>As per policy</p>
<p>Meet the Expert Game for learning Cross-phase</p>	<p>2 hour session</p>	<p>Games for learning and engagement with Joy Morgan Research indicates that if teachers present an activity as a ‘game’, learners will focus on it for longer and try harder. This workshop allows you to try out some learning activities which can be presented as inclusive games yet have a very solid learning outcome.</p>	<p>Location: Lampton School Face-to-face Wednesday 1st March 2023 16:00 - 18:00</p>	<p>As per policy</p>

<p>Meet the Expert Geography Primary</p> 	<p>1.5 hour session</p>	<p>Leading geography in primary schools with Dr Paula Owens How successful is your geography curriculum? How is content selected and sequenced and what is the impact on pupils? How do you know? This course will help you answer these and other questions so that you can prioritise and plan for high-quality geography in your school.</p>	<p>Location: Webinar Thursday 2nd March 2023 16:00 - 17:30</p>	<p>As per policy</p>
<p>Meet the Expert Religious studies Primary</p> 	<p>2 hour session</p>	<p>Creative lesson ideas for RE in primary schools with Julia Diamond-Conway Come and find out about a range of activities to enliven RE lessons and engage pupils. You will receive a series of knowledge rich strategies that can both be adapted or adopted for use in your classroom and shared with other members of staff to bring dynamic, confident RE teaching into your school. Ideas shared will take note of information given in the Ofsted RE Research Review (May 2021).</p>	<p>Location: Webinar Tuesday 7th March 2023 16:00 - 17:30</p>	<p>As per policy</p>

<p>Meet the Expert Behaviour Cross-phase</p> 	<p>2 hour session</p>	<p>Whole-school strategies for supporting children displaying challenging behaviour with Helen Tyzack This session aims to support staff in:</p> <ul style="list-style-type: none"> • Developing practical strategies to address ‘challenging behaviour’ • Creating positive behaviour support plans • Using de-stressing strategies such as mindfulness to support pupil self-regulation • Supporting effective relationship management and de-escalation techniques through affect labelling and adult self-regulation 	<p>Location: Lampton School Face-to-face</p> <p>Wednesday 8th March 2023 14:00 - 16:00</p>	<p>As per policy</p>
<p>Meet the Expert Science Secondary</p>	<p>1.5 hour session</p>	<p>Powerful formative assessment in secondary science with Dr Richard Branch Multiple choice questions are underestimated as an instrument to support teaching and learning. Here we will explore how multiple-choice questions can be designed and used to improve formative assessment in science. Platforms for automatic marking and tracking will be introduced.</p>	<p>Location: Webinar</p> <p>Thursday 16th March 2023 16:00 - 17:30</p>	<p>FREE for LWA & Membership Schools Other schools: £45 per delegate and £80 for two delegates</p>
<p>Meet the Expert PHSE Primary</p> 	<p>1.5 hour session</p>	<p>Leadership & Management being prepared for Ofsted with Karen Summer This interactive session will examine the statutory requirements relating to PSHE education and help to develop PSHE leads’ understanding of how effective PSHE provision can enhance inspection evidence. There will be an opportunity to explore practical ideas for how to evidence PSHE education’s contribution, particularly to the personal development judgement.</p>	<p>Location: Webinar</p> <p>Tuesday 21st March 2023 16:00 - 17:30</p>	<p>As per policy</p>

<p>Meet the Expert EAL Cross-phase</p> 	<p>2 hour session</p>	<p>EAL across the curriculum with Phyllis Bridge This CPD session provides cross-phase advice on the induction, assessment and teaching of EAL learners. It explains how an EAL pedagogy will help to develop the students' potential and capabilities in real classroom situations, exemplified with subject-specific examples. Finally, the coverage of home/flip/independent learning and the use of modern technology will equip teaching practitioners in preparing for the ever-changing educational landscape.</p>	<p>Location: Lampton School Face-to-face</p> <p>Tuesday 21st March 2023 16:00 - 18:00</p>	<p>Free to LWA and membership schools</p> <p>Other schools As per policy</p>
<p>Meet the Expert Geography Secondary</p>	<p>2 hour session</p>	<p>Keeping on top of Geography with Alan Parkinson One of the pleasures and challenges of teaching Geography is the constant evolution of the subject: new resources and stories appear daily. This session will include ideas for time management alongside tools and strategies to help locate, store and curate resources so they are accessible when teaching. We will also discuss the impact of COVID on your curriculum and pedagogy, and ways to accommodate topicality.</p>	<p>Location: Webinar</p> <p>Wednesday 22nd March 2023 16:00 - 17:30</p>	<p>As per policy</p>
<p>Meet the Expert Art Primary</p>	<p>2 hour session</p>	<p>Cityscape collage with Amanda Randall Create a sense of depth and perspective using easily available materials. Your students will enjoy making this local scene.</p>	<p>Location: Lampton School Face-to-face</p> <p>Friday 24th March 2023 13:30 - 15:30</p>	<p>As per policy</p>

<p>Meet the Expert History Primary</p> 	<p>2 hour session</p>	<p>Building schema across primary history: Civilization with Andrew Wrenn <i>*Multi session booking but can also be booked as an individual session</i> The OFSTED framework expects to see teaching in greater depth, with pupils accumulating knowledge to build their own schema`s around key subject concepts. This practical webinar will show how to weave in consistent coverage of the term Civilization across your curriculum map from KS1 and in to KS2, drawing on substantive knowledge such as that of Ancient Civilizations, Ancient Greece, the Roman Empire and Islamic civilizations.</p> <p>*Building schemas across Primary History: Empire *Building schemas across Primary History: Monarchy</p>	<p>Location: Webinar Tuesday 28th March 2023 16:00 - 17:30</p> <p>See page 25 See page 26</p>	<p>As per policy</p>
<p>Meet the Expert Religious Studies Secondary</p> 	<p>1.5 hour session</p>	<p>Religion and Worldviews - A New Paradigm for RE with Angela Hill This session will give you an insight into the latest thinking on worldviews in RE and help you to think about how introducing or developing a worldviews paradigm might work in your setting. There will be discussion and practical ideas and resources for the classroom.</p>	<p>Location: Webinar Tuesday 28th March 2023 16:00 - 17:30</p>	<p>As per policy</p>

<p>Meet the Expert History Primary</p> 	<p>2 hour session</p>	<p>Building schema across primary history: Empire with Andrew Wrenn <i>*Multi session booking but can also be booked as an individual session</i> This practical webinar will show how to weave in consistent coverage of the term Empire across your curriculum map from KS1 and in to KS2, drawing on substantive knowledge such as that of Mary Seacole, Ancient Greece, the Roman Empire, the Vikings, Islamic Civilizations and Ancient Benin.</p> <p>*Building schemas across Primary History: Civilization *Building schemas across Primary History: Monarchy</p>	<p>Location: Webinar Tuesday 13th June 2023 16:00 - 17:30</p> <p>See page 24 See page 26</p>	<p>As per policy</p>
<p>Meet the Expert Art Primary</p>	<p>2 hour session</p>	<p>Textiles without sewing with Amanda Randall Express your emotions with colours and patterns. This easy workshop includes drawing to music and produces a colourful display for your classroom.</p>	<p>Location: Lampton School Face-to-face Friday 16th June 13.30 - 15.30</p>	<p>As per policy</p>
<p>Meet the Expert Geography Primary</p> 	<p>1 Full day</p>	<p>All about field work with Dr Paula Owens Fieldwork is a statutory part of the geography national curriculum. This course will help you identify how to plan for and do, successful fieldwork, in ways that build progression from EYFS to KS2 and enable pupils to develop knowledge and understanding about a locality.</p>	<p>Location: Lampton School Face-to-face Friday 30th June 2023 09:30 - 15:30</p>	<p>LWA members and membership schools £85 Other schools £95</p>

<p>Meet the Expert History Primary</p> 	<p>2 hour session</p>	<p>Boosting subject knowledge at KS2; Investigating past civilizations with Andrew Wrenn <i>*Multi session booking but can also be booked as an individual session</i></p> <p>What is the legacy of Ancient Egypt? This workshop will give an overview of Ancient Egyptian history showing how the River Nile was so crucial to the development of civilisation. Examples will be presented of the astonishingly rich archaeological evidence excavated from barren landscapes such as the long hidden treasures of the boy pharaoh Tutankhamen and the Rosetta Stone, key to unlocking the secrets of hieroglyphics, the written language of the Egyptians.</p> <p>What have the Ancient Greeks ever done for us? How do we investigate the Ancient Maya?</p>	<p>Location: Webinar</p> <p>Thursday 6th July 2023 16:00 - 17:30</p> <p>See page 20 See page 27</p>	<p>As per policy</p>
<p>Meet the Expert History Primary</p> 	<p>2 hour session</p>	<p>Building schema across primary history: Monarchy with Andrew Wrenn <i>*Multi session booking but can also be booked as an individual session</i></p> <p>The OFSTED framework expects to see teaching in depth, with pupils accumulating knowledge to build their own schemas around key subject concepts. This practical webinar will show how to weave in consistent coverage of the term Monarchy across your curriculum map from KS1 and in to KS2.</p> <p>*Building schemas across Primary History: Civilization *Building schema across primary history: Empire</p>	<p>Location: Webinar</p> <p>Wednesday 5th July 2023 16:00 - 17:30</p> <p>See page 24 See page 25</p>	<p>As per policy</p>

<p>Meet the Expert Music Sequencing learning skills</p> 	<p>2 hour session</p>	<p>Sequencing learning and skill development from years 1 - 6 with Dr Alison Daubney This session will explore the inter-relationship between curriculum, pedagogy and assessment in order for teachers to develop a strong, relevant and rich music curriculum in their own settings. Drawing upon the well-renowned and freely available ISM resources authored by Dr Ally Daubney and Professor Martin Fautley and a range of curriculum models, teachers will be encouraged to develop their own curriculum offer that will be inspiring and relevant to their own school community.</p>	<p>Location: Webinar July 2023 TBC 16:00 - 17:30</p>	<p>As per policy</p>
<p>Meet the Expert History Primary</p> 	<p>2 hour session</p>	<p>Boosting subject knowledge at KS2; Investigating past civilizations with Andrew Wrenn <i>*Multi session booking but can also be booked as an individual session</i> How do we investigate the Ancient Maya? Explore the fascinating history of the Maya people of Central America. This workshop will demonstrate how to compare the Maya civilisation with that of others from different periods and locations. What have the Ancient Greeks ever done for us? What is the legacy of Ancient Egypt?</p>	<p>Location: Webinar TBC October 2023 16:00 - 17:30 See page 20 See page 26</p>	<p>As per policy</p>

DESIGN AND TECHNOLOGY PROGRAMMES

BOOKING AND CANCELLATION POLICY: Please see the flyer for each programme for specific booking and cancellation details.
To make enquiries, find out more and book places please contact: Sharonjit Samrai LWA@lampton.org.uk

PROGRAMME & CODE	LENGTH OF PROGRAMME	IN BRIEF	PROPOSED DATES AND TIMES	COST
DT Core level training SCHS	1 day	<p>Recommendation by the Design and Technology Association is that all teachers and technicians of Design and Technology have a current certificate for this course. Certification lasts five years. This is a full course and not a refresher. It involves learning about recent Health and Safety recommendations for D&T departments and their working practices.</p> <p>Minimum 6 maximum 16 participants. 8-week cancellation window.</p>	<p>Location: Lampton School</p> <p>Friday 21st October 2022 09:00 - 15:30</p>	<p>£185 LWA Members & Membership Schools</p> <p>Other schools £200 per delegate</p>
