OFSTED-READY RE: DEEP DIVES AND THE RESEARCH REVIEW

This online twilight session will give you a comprehensive introduction to the latest Ofsted thinking around RE. We will discuss what inspection reports are saying about secondary RE, and crucially, what to expect if RE is subject to a ‘deep dive’ at your school, with reference to teachers’ recent real-life experiences. This session will also help you to gain a clear insight into Ofsted’s recent Research Review into RE, with opportunities to consider and discuss the implications for RE in your own setting. Discussion and questions will be welcome and encouraged throughout.

This session will take place on
Thursday 26th January 2023
From 4.00 - 5.30pm
