PSHE LEADERSHIP AND MANAGEMENT: PREPARING FOR OFSTED (SECONDARY)

There is more scope for PSHE education to be a focus of inspections under the new framework. PSHE provides evidence for key judgements, particularly ‘personal development’, and Ofsted will look at how well a school is following new statutory Relationships Education, RSE and Health Education requirements.

This session will introduce secondary PSHE leads and teachers to the unique contribution PSHE education makes to safeguarding and the school’s evidence in key judgements, particularly personal development, and how best to gather and present evidence of pupils’ learning and progress.

This session will take place on
