## 1. Early Career Framework

Welcome to our ECT Year 1 and welcome back to our ECT Year 2 cohorts.

**Registrations are open!** Before accessing the portal to register new ECTs/Mentors, please check below for which steps you should follow:

- If you had **YEAR 1 (cohort 3)** ECTs/Mentors in the **last academic year (2023/24)**

Reconfirm your partnership with Teach West London to deliver the ECF Full Induction Programme training on the **DfE portal here**. You will need to confirm that your current Year 1 ECTs will be continuing into Year 2 of the programme and you will be able to add any new ECTs and Mentors for Year 1 of the programme.

- If you had only **YEAR 2 (cohort 2)** or **NO** ECTs/Mentors in the **last academic year (2023/24)**

**Complete this form** to provide your 'confirmation of intent' to work with Teach West London to deliver the ECF Full Induction Programme training in partnership with UCL for the 2024/25 academic year.

There is a period of approx. a week before you receive an automated email from the DfE. Please keep a lookout for this email as it will ask you to confirm that you accept the partnership. Once you have confirmed, please access the **DfE portal here to register new ECTs and Mentors for 2024.**

Do take care when entering the details of new ECTs, Mentors and Induction Tutors to the DfE portal as any incorrectly entered email address will delay the participant's enrolment to the UCL Learning Platform (UCLeXtend).

**Please note:** *The Headteacher and Induction Tutor should have access to the DfE portal. If your school is not able to access the DfE portal, please email: [continuing-professional-development@digital.education.gov.uk](mailto:continuing-professional-development@digital.education.gov.uk) providing your school name and URN and request login details.*
