Q: Which schools can I train in?

A: We recognise how it is important for trainees to know where they will be located during their training year. If you chose to train to teach with Teach West London, you will be in **your placement school four days a week** and at our centre (Ada Lovelace Church of England High School Park View Road, Ealing, London, W5 2JX) one day a week.

Please see a quick step by step guide to help you choose your placement school so you have control over your location four days a week.

1. **Go to '[How to apply' section of our website](#)** and scroll down to the list of courses.
2. **Click on the course / subject you would like to teach**. This will take you through to the 'DfE find' website.
3. **Chose the correct course from the list provided on the DfE find website and click the link**. There could be up to four choices available which are: 1. SALARIED QTS only 2. FEE – NO SALARY QTS only 3. SALARIED PGCE with QTS 4. FEE – NO SALARY PGCE with QTS
4. **Scroll down the page to Training locations** and here you will see the names of the schools offering placements for that particular course/subject.
