Break up for Chrismas!

It's been a chilly week as we've settled back into school after half term. The clocks have changed, the weather has turned colder, and winter is certainly on its way!

A huge thank you to everyone who contributed to our Harvest Festival collection. Thanks to your generosity, we collected an amazing 167.5kg of food! To put that into perspective, that's roughly the same weight as an average-sized lion! What an incredible achievement and a wonderful way to support our local community.

Thrive Wellbeing Week

As part of our Thrive Wellbeing Week, the children enjoyed a fantastic day of outdoor learning at Forest School on Wednesday. Class 1 and 2 got creative painting colourful stones, while Class 3 decorated wooden ornaments with their own unique designs. Class 4 explored how suspension bridges work, learning about weight, balance and how bridges are built.
It was a wonderful opportunity for everyone to get creative, develop new skills and enjoy the benefits of learning outdoors!

We rounded off the week welcoming lots of parents into school to take part in activities. It was lovely to see the classrooms buzzing with energy, enthusiasm and smiles!
Thank you to everyone who came along and helped make it such a lovely end to the week!

Thank you for supporting good attendance

We are pleased to share that attendance across Years 1–6 last academic year was 96.7%, placing Temple Grafton third in a group of 21 similar schools in the Department for Education's attendance comparison.
Thank you for your support in helping children attend regularly and make the most of their time at school. Every day brings opportunities to learn, build friendships and take part in school life, and it is lovely to see this shared commitment reflected in such a positive result.

Stars of the Week..

Class 2: Harry B

Class 3: Ava P

Class 4: Elodie
