Forest School

Class 2 are back in full swing at Forest School this week, led by our fantastic Mrs Chapman and Mr Boothroyd.

The children have been enthusiastically exploring the outdoors and taking part in a wide range of exciting, hands-on activities designed to develop their curiosity, teamwork and appreciation of nature.

One of the highlights has been the worm station, where the children have enjoyed discovering more about the fascinating creatures that live beneath our feet and the important role they play in the environment.

There has been plenty of opportunities for investigation, exploration and outdoor learning, making the most of the wonderful natural surroundings.

Gardening Club

Gardening Club has been thriving since the start of the new term! The children have enthusiastically begun planting and caring for baby potatoes, herbs, spinach, and a range of other produce. We look forward to watching their crops grow and flourish over the coming weeks and seeing the fruits of their hard work come to life.
