

What's on Weekly

W/C 14th September

A Warm Welcome Back!

We are delighted to welcome all of our children back to school for the start of another exciting academic year. It has been wonderful to see our classrooms and playgrounds full of happy faces once again.

Returning to school after the summer break can be a big adjustment, and we are incredibly proud of how positively our children have approached the first week.

A very special welcome goes to our new Reception children, who have made a wonderful start to their school journey. They have settled into school life exceptionally well, showing confidence, curiosity and excitement as they explore their new surroundings and begin making new friendships.

A warm welcome back to Mrs Swanwick, who teaches Class 4 every Thursday. We would also like to introduce our new Teaching Assistant, Mrs Wright, who will be supporting Class 4 on Thursdays and Fridays.

Throughout the school, children have demonstrated excellent resilience, kindness and enthusiasm as they settle back into their routines. They have shown a fantastic attitude towards their learning, supported one another with care and respect, and embraced the opportunities that a new school year brings.

As we look ahead to the term, we have lots of exciting learning opportunities, trips, enrichment activities and community events planned for our children and families. We look forward to sharing these experiences with you and celebrating the many achievements and successes that will undoubtedly take place throughout the year.

We are also pleased to share that we currently have places available in Years 1, 3 and 4. If you know of any families looking for a nurturing, ambitious and welcoming school community, please help us spread the word. We would be delighted to show prospective families around and share everything that makes our school such a special place to learn and grow.

Thank you for your continued support. We are looking forward to a fantastic year ahead, working together to ensure every child can thrive, achieve their potential and enjoy their learning journey.
