Head Teacher: Mrs Sarah Whittington

Friday 21st May 2020

Dear Parents/Carers,

Thank you on behalf of all the Teachers and myself for our lovely communications you shared with us for National Teacher's Day. It was humbling to hear, see and read your lovely messages.

This is a time of change but throughout this our key principle is 'safety first' for all our families and staff.

I know that there is a lot of discussion about children returning to school. In special schools attendance of children is determined by their risk assessment and the communication we have with you. Using this model allows us to be very measured and careful in the numbers we are having in school but also allows us to respond to the needs of the most vulnerable and those of key workers where a place is needed. I just wanted to reassure you all that if your child is at home during June and July they will **not** be penalised for their attendance and you will not be fined.

If your child is in school please be aware we do have a school risk assessment in place that will be on the school website. I would ask you to ensure your child washes their hands before leaving your home and on their return. Please also ensure they are wearing clean clothes daily.

Due to the support of Helen Masters and class teachers we will continue to stay in communication with you on a regular basis, but please do not hesitate to contact myself or one of the team if you need any help or support over the next coming weeks. My number is 07539 122981.

Yours sincerely,

Sarah Whittington
Headteacher
