

June Newsletter

Welcome

Welcome to our June Newsletter. It has been a busy month at The Acorns School, and it is hard to believe how quickly the weeks are passing as we move towards the end of the academic year.

We would like to congratulate our Year 11 pupils on completing their GCSE examinations. We are very proud of the hard work and resilience they have shown throughout their final year with us. They have approached this important time in their school journey with a positive attitude and real determination, and have worked consistently to prepare for and complete their exams.

Also, I would personally like to thank them for their efforts and the contribution they have made to school life, and we wish them all the very best for the next stage of their education, training or employment.

As we enter the final weeks of term, there is still plenty to look forward to, including enrichment opportunities, celebration events and transition activities to support pupils in preparing for the year ahead. We would like to thank our pupils, families and staff for their continued support, and we look forward to an exciting and positive end to the academic year.

Miss Cutts

Key dates

- **Summer closure:** Friday 17 July
- **GCSE results day:** Thursday 20 August

From the classroom to the salon

Year 10 pupil gains a head start in hairdressing

As part of our vocational offer, we always strive to find and provide the right training for our pupils, tailored to their interests and needs. We work with a range of exceptional external providers including [BDS Training](#), which, for the past year, has been supporting one of our Year 10 pupils to develop her hairdressing skills and industry knowledge.

Our pupil has flourished under BDS Training's expertise, gaining hands-on experience within the hairdressing industry while completing assignments and practical assessments to an extremely high standard.
