LEARNING BUS.

Dear Parent/Carer.

Throughout this lockdown we appreciate the difficulties parents and carers are facing, supporting your children with remote learning.

To try and help, we have now arranged for a 'Learning Bus' to be situated in The Market Place Concourse Skelmersdale.

This service will provide stationery and other resources your child may need. We will be able to collect/distribute work packs and to just be there to help, should Parents/Children have any issues or concerns. We will also be carrying revision materials and reading books. You can also drop off completed work and it will be taken back into school.

Miss Walsh and Miss Murphy will be able to assist in any requests or concerns. You will be able to identify us by our school ID badges.

We will be using The Community Stall in The Market Place Concourse on Tuesday and Thursday afternoons 14.00 - 15.00. The stall is opposite The Deli.

We look forward to seeing you.

Please contact the school website for further information.

Kind regards

Miss Walsh.

Miss Murphy.
