HOME LEARNING

Please record any home learning on paper and stick into your scrap book. Books will be collected on 11th October 2019.

English	Read with a family member for 10-15 minutes each day.	Find an unusual place to read – ask someone to take a picture	Write a story about what it might have been like to grow up in Ribbleton a hundred years ago.
Maths	Practice learning your times tables, concentrating on recapping your 2, 5, 10 and 3 and 4 times tables. Write each one out 3 times	Go shopping with an adult and think about the price of certain items and how much change you would receive. Keep the receipt and round each item up or down.	Look out for everyday 2d and 3d shapes and draw them (but be sure to use a <u>ruler</u>).
Topic	Create a one page fact poster about Ribbleton.	Discover what there is to do in your local area. Record what you can do there and take pictures.	Think about the food you eat and the nutritional value of it. Can you plan a healthy meal and make it?
Working Together	Talk to an older family member about the area of Ribbleton and how it has changed over time.	Go for a walk with an adult around the local park (but take your broly just in case!).	Write 3 sentences which contain at least one noun and one verb. Can an adult correctly identify and circle the noun and verb?
