ART INTENT STATEMENT

At Blessed Sacrament Primary School, we value Art and Design as an important part of the children's entitlement to a broad and balanced curriculum. We endeavour to provide the children with the opportunities to develop and extend skills and an opportunity to express their individual interests, thought and ideas.

A high-quality art and design education should engage, inspire and challenge pupils, equipping them with the knowledge and skills to experiment, invent and create their own works of art, craft and design.

The art and design curriculum at Blessed Sacrament Primary School is based upon our progression of knowledge and skills document alongside the 2014 National Curriculum. Teachers use this document to plan their art and design lessons suitable to their class's interests.

Children's art and design will be celebrated and displayed around school.

Alongside our curriculum provision for art and design, we also provide all pupils with the opportunity to participate in art based after school clubs. Pupils are consulted termly about which clubs they would like to be offered.
