

THE BLESSED SACRAMENT CATHOLIC PRIMARY SCHOOL
CHILDCARE PROVISION DURING SCHOOL CLOSURE DUE TO CORONAVIRUS
PARENTAL CONSENT FORM

This provision is in place for the children of defined Key/Critical Workers and vulnerable pupils **if they are unable to find any other alternative childcare options.**

Please do not put your child/family/household at further risk by using this facility unless **absolutely necessary.**

- Children are safer at home in a situation where their social interaction/contact is limited.
- If your child attends the childcare, you will need to abide by our conditions of use.

Families must complete this registration document before their child can start – although we hold some of this information at school, we realise that health needs may have changed and emergency contacts altered in light of the outbreak.

Provision

- I understand that the provision is childcare and not 'school'.
- I appreciate that should it become impossible for School to staff the provision due to staff illness or self-isolation, then the childcare will cease with immediate effect and that this may be with very little notice.
- My child will enter the school through the gates on Faringdon Lane and will be brought to the nursery building.
- I understand that no parent/carer will be allowed beyond the office door into the building (unless in a medical emergency).
- I understand that the provision is only to be used as a last resort and will not bring my child unless I am undertaking work that is considered 'critical' and there is nobody else to look after my child (working hours will require verification by employer)

Health risks

- I understand that the school and parents/carers need to undertake as stringent practice as possible to reduce the risks of transmission of the virus (and other illnesses).
- I understand that the school is a childcare school where my child will play with other children. The school is therefore unable to limit my child's social contact with other children.
- I understand that the adults working in the school will try to maintain common sense in terms of social distancing whilst working with the children; however, they are caring for the children and therefore may work closer than 2 metres with them.
- I understand that whilst the school will endeavour to regularly clean the areas used and will engage in frequent hand washing, we are unable to guarantee a virus-free school.
- I will ensure that my child has high levels of hygiene and cleanliness to reduce risk of transmission.

Clothing/personal items

- Where practicable, my child will wear clean clothes each day (to reduce the risk of transmission).
- I understand that some of the activities that are offered will be outside and will ensure my child is wearing appropriate clothing.
- My child will not bring any items to the school from home with them except necessary medication (handed to member of staff on arrival) and their packed lunch.

Medication/Illness

- I will not bring my child to the school if they have any symptoms of coronavirus or if anyone in the household has symptoms. I will isolate my child and the whole household for 14 days if this is the case and will inform the school immediately by email**
- If my child has medication for asthma, allergies or other conditions, I will ensure that they have the medication with them every day in a labelled container. I understand that this medication will come home every day (in case the school has to close without notice). It is my responsibility to ensure that the medication is in date.
- I understand that if my child needs any other form of medication, I will need to complete a 'Medication Form' (available from the school office). Administration of medication will need to be agreed by the Headteacher / senior leader on duty in line with the medical policy of the school.
- I will inform the member of staff on arrival if I have given my child any medication e.g. Calpol, before they come to the school.
- I understand that if my child becomes unwell during their time in the school, they will be immediately placed in isolation (in accordance with government guidance) and I will be contacted and asked to collect them as soon as possible. If I can't be reached, the other contacts given will be called. I understand that the school staff will not have to prove or justify their decision about a child's illness.
- I understand that if my child falls dangerously ill the staff will contact medical services as well as contacting me.
