

Fiction - Lesson 2

LO - To retell a story from a different point of view

I hope you enjoyed the story *Wild Ride*, about Martine and how Jemma the giraffe saved her from the dangerous Mother Warthog.

In this lesson I want you to write a paragraph to describe one or more events from the story.

You could write about:

When Martine sneaks out at dawn.

When Martine races on Jemma the giraffe.

When Martine and Jemma come across the tusked warthogs.

When Martine, thanks to Jemma, escapes from the warthogs.

In your paragraph you must include:

What each of the five characters were **doing** at that time (Martine, Grandmother, Jemma, Mother Warthog).

What each of the five characters were **thinking** at that time (Martine, Grandmother, Jemma, Mother Warthog).

What each of the five characters were **feeling** at that time (Martine, Grandmother, Jemma, Mother Warthog).

Use the chart to help you to plan your paragraph before you write it. The first event has been put in for you, some of the things the characters are doing are not in the text you will need to make these up from your own ideas.

Event	Martine sneaks out at dawn	Martine races on Jemma the giraffe	Martine and Jemma come across the tusked warthogs	Martine, thanks to Jemma, escapes the warthogs
