How to make a bird feeder

You will need:

- Margarine tub
- Different coloured paper or paint
- Glue
- Hole punch
- Wool

Method:

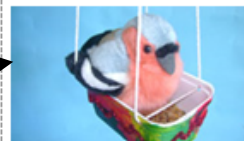

1. First, make sure the margarine tub is empty and clean.

2. Next, decorate it by sticking on pieces of brightly coloured paper. Leave it in a safe place until it is dry.

3. Use a hole punch to put four holes in the top of the margarine tub so you have two holes facing each other.

4. Carefully, thread some wool through each of the holes and tie the two ends together.

5. Finally, fill your bird feeder with bird food before hanging it outside.

Top-tip: Hang the feeder so you can see it through a window. Enjoy watching the birds.
