

## English lesson 1

### LO - Create and develop character for narrative

#### **Task 1 -**

Create your own character to replace the Big Bad Wolf in the story of Little Red Riding Hood. Think about the type of character this needs to be. For example, would the choice of a unicorn or a puppy be a good choice?

Draw and label your chosen character with adjectives to describe.

#### **Task 2 -**

Write a paragraph to describe the personality of the character. Use the learning from week one to help you with this. Remember to use adjectives.

#### **Task 3 -**

Why is this character a good fit for the story? Will they want to eat Little Red Riding Hood? Will they be mean enough to put Grandma in a cupboard?
