

English lesson 3

LO - Innovate a story

Task 1 -

Use your story map from lesson 2, tell your story to somebody in your household. Saying your sentences out loud helps you to remember them when you write them.

Task 2 -

Write your new version of Little Red Riding Hood.

Follow your plan and include your character changes.

Remember in year 3 we must use; capital letters, finger spaces, good phonics, full stops, beautiful handwriting and conjunctions.
