

HOME LEARNING SUGGESTIONS YEAR 5
AUTUMN TERM 2 – WHY ARE RULES IMPORTANT?

As part of our work on ‘Why are rules important’, you are required to complete at least 4 pieces of home learning. You can select any activities from the list below or come up with your own ideas to suggest to your teacher.

Please record any home learning on paper and stick into your scrap book. Books will be collected on Friday 4th December 2020.

English	Read with a family member for 10-15 minutes each day.	Find an unusual place to read – ask someone to take a picture	Look at some classic narrative poetry e.g The Highway Man, The Owl and the Pussycat or The tale of the Custard Dragon . Which do you prefer? Why?
Maths	Practice your mental maths skills – Multiplication and division	Data collection – interview your family to find out what their favourite Christmas food is. Use a tally chart and create a bar chart to show their favourite grub!	Use a 3d net and create your own Christmas bauble!
Topic	Design your own moving toy. What household materials can you use? How will you get it to move?	Think about someone who has influenced you. What did they do? What can you do to be more like them?	Investigate what objects float and sink in the kitchen sink or the bath and find out about Archimedes' principle
Working Together	Talk to an older family member about rules at school that they used to have. How are they different/similar to our school rules?	Ask a family member about their favourite artist. Research them and create a fact file.	Set up an orienteering course around your living room with markers at different points. Draw a map with a labelled route and ask a family member to complete it. Time them!
