

THE BLESSED SACRAMENT CATHOLIC PRIMARY SCHOOL
HOME LEARNING – YEAR 2 - Week 4

Our home learning this half term is on the topic of 'Personal Health and Hygiene'. You can do the work online and send it to your teacher or do it in an exercise book and keep it at home until you come back to school.

When you have completed your work, please ask your parents to complete the online questions to help us to know how you are doing. They can do this on the website, from the email or by scanning the code:

Remember to keep checking the school website for videos / messages – we miss you and are here to help if you need us!
