- Children in receipt of Pupil Premium will receive a school packed lunch as normal.
- Children to arrive in: T-shirt, trousers, trainers and their school hoodie (for easy identification)

# Kit List

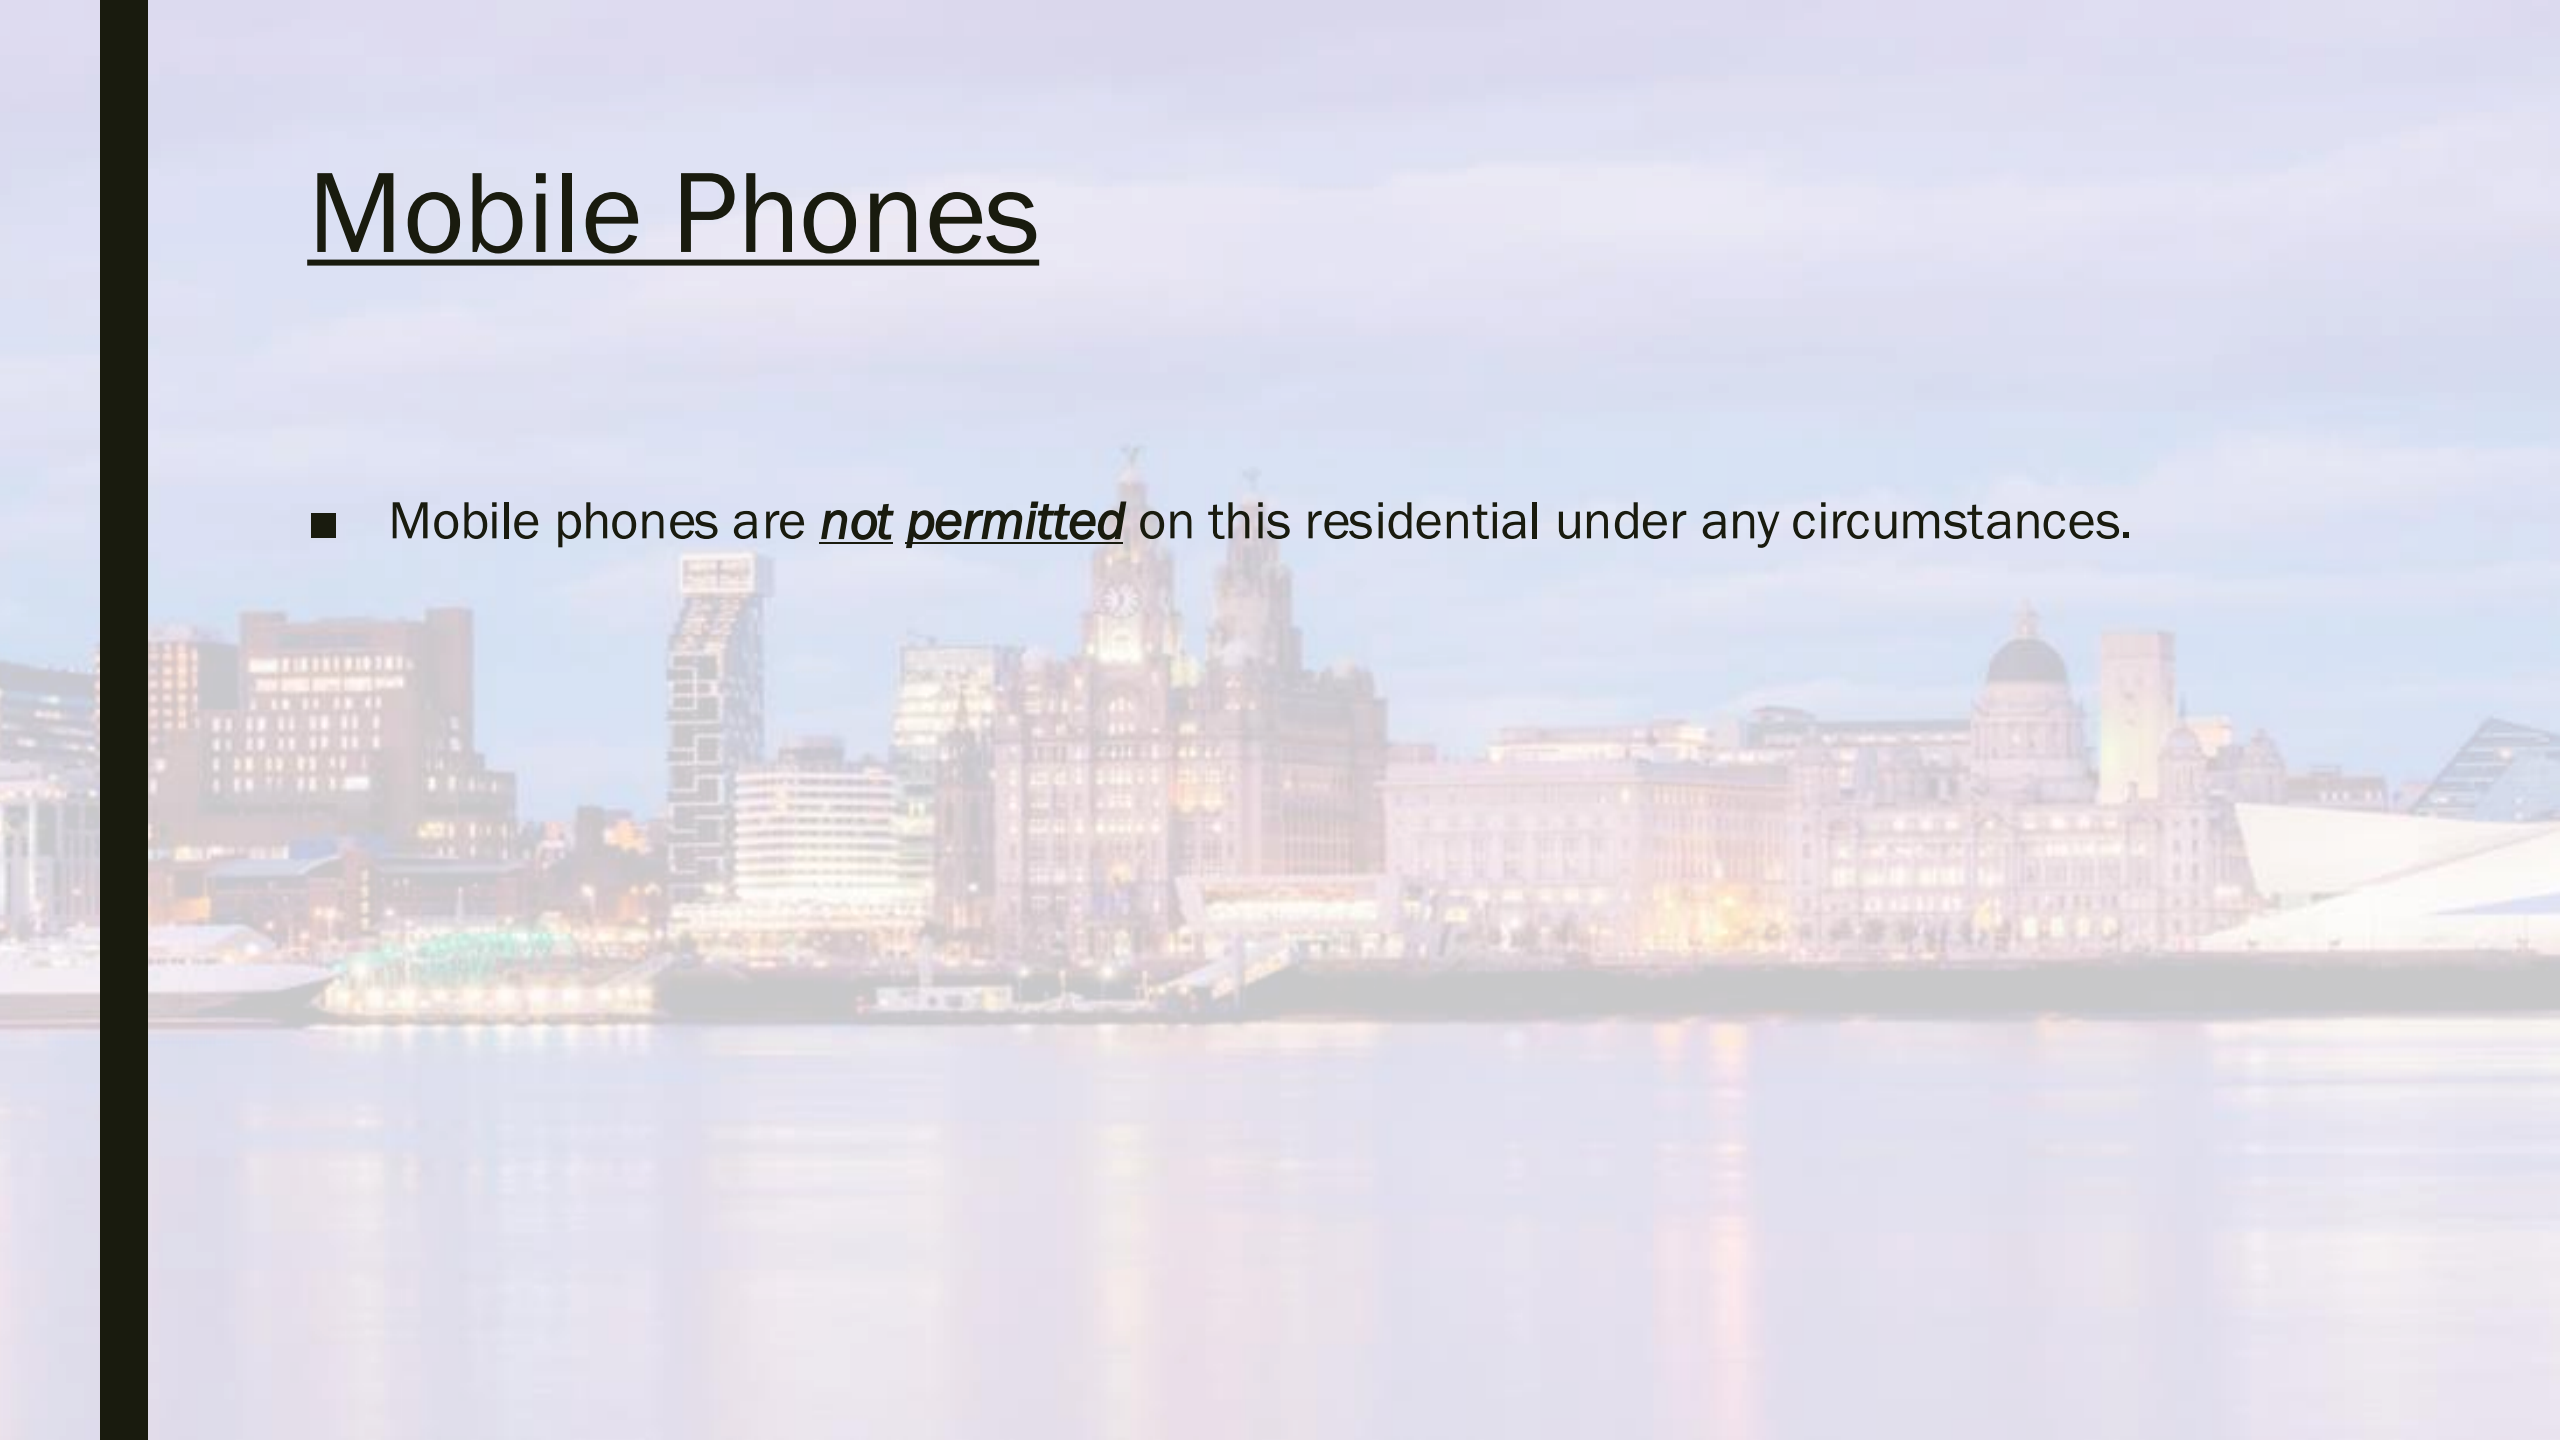

Please try and not pack too much for the 3 days. Children should have all items in a rucksack.

- 2 extra t-shirts
- 1 pair of extra trousers
- 2 pairs of underwear/socks
- A pair of pyjamas
- Slippers/sliders/crocs for in the Hostel
- Towel
- Toothbrush/Toothpaste
- Suncream
- Water bottle
- Deodorant

Please note, whilst children are allowed to wear crocs/sliders in the Hostel, they need a pair of suitable trainers as we will be doing a lot of walking around Liverpool and crocs/sliders aren't suitable/safe enough.

# Mobile Phones

- Mobile phones are *not permitted* on this residential under any circumstances.

# Sweets/Snacks

- No sweets/snacks are permitted on this residential.
- We have lots of treats to give to the children at various parts of the trip.

# Spending Money

- No spending money is needed on this residential.
- We have a very full 3 days planned and the children will not have time to go shopping.

# Rooms

- The children have all written down 2-3 people they would like to share a room with. They have all been assigned at least 1 person they would like in their room.
- There will not be any downtime due to how busy we will be, therefore time in rooms will be minimal.
- Adult rooms are placed in between children's rooms and we will make all children aware of who their closest adult is, should they need them in the night.

# Medication

Please could everyone fill in and return the medical form by **Monday 16<sup>th</sup> June** to allow all members of staff to become aware and familiarise themselves with procedures.

When dropping your child off on the Monday, medication will need to be signed in to Mrs Dieterman.

It must be clearly labelled with your child's name and instructions for administration.

# Allergies/Dietary Requirements

- Please let me know ASAP if there are any allergies/dietary requirements other than what is on Arbor.
- I know about most of these already but just in case.

# Photos for Website/Facebook

- If there is any reason you do not wish your child to be included in photos for our school website/facebook page please let me know ASAP.
- Similar to dietary requirements, I think I know all of these already but just in case.

# Behaviour

- As always, we expect the highest standard of behaviour on our residential.
- Even more so when we are in a busy city, doing many different activities, amongst the general public. It is paramount for the children's safety that they are following the Blessed Sacrament Way at all times.
- By signing the form, you are agreeing to come and collect your children if they are displaying persistent, unsafe behaviours.

# Any questions, problems, queries?

- Please do not hesitate to wait behind if you have anything you would like to discuss privately 😊
