Policy

“Let every person be subject to the governing authorities. For there is no authority except from God, and those that exist have been instituted by God.”

Romans 13:1

‘Feeding Hearts and Minds’

The peace, joy and love of Christ is at the heart of all that we do in our school. Through religious education, school policy and, primarily, our culture of prayerfulness, charity and joy, we seek to share the Gospel with our families, our parish, our community and the wider world.

Using the example of Jesus Christ, we cultivate the skills of heart and mind that allow us to develop our talents and take a shared responsibility for ourselves, each other and the world He gave us. We profess our faith proudly and recognise that we are called to a loving relationship with God through the sacraments, scripture and prayer.

Our school is animated by love and our shared faith and clear values drive our behaviour and our relationships; we are tolerant and respectful of the unique value of each person. Our individual needs and talents are recognised and nurtured in a warm, inclusive environment where we are able to use our gifts for the glory of God and in loving service of others.

We have excellent role models who empower us to believe in ourselves and provide us with an outstanding education and a wide range of opportunities – our aspirations for the future are high and we believe that through God’s grace we can grow, learn and realise our full potential.

**MODEL SCHEME OF DELEGATION
INTERNAL FINANCIAL REGULATIONS**

1.0 ESTABLISHMENT OF BUDGET HEADINGS, MONITORING AND CONTROL PROCEDURES AND EXERCISE OF VIREMENT

- 1.1 Each year, on receipt of its funding allocations from the authority / ESFA the Governing Body shall establish appropriate budget headings for the school as a whole under which the budget shall be controlled and determine the initial budget allocation to each heading, the consistent financial reporting (CFR) framework is recommended. Any changes to budget allocations following notification by the Authority of the previous year's surplus / deficit brought forward shall be determined by the Governing Body.
- 1.2 The Headteacher may sub-divide the budget determined by the Governors on a departmental or other basis in order to facilitate day-to-day administration and control.
- 1.3 The Headteacher is empowered to exercise virement between budget headings approved by the Governors. The maximum virement level being £5,000, or 10% of the budget heading from which resources are being transferred (whichever is the lower in total for any heading during the year). All virements undertaken shall be reported to the Governors at their next meeting. Virement in excess of this figure requires the prior approval of the Governing Body. Increases to expenditure headings offset by increases in anticipated income can be undertaken by the headteacher providing there is evidence to substantiate the additional forecast income, these virements should also be reported to governors.
- 1.4 The Headteacher shall establish suitable arrangements for the control and monitoring of expenditure against budget headings (e.g. SIMS FMS).
- 1.5 At termly intervals, or more often, the Governors shall receive from the Headteacher a report on school expenditure compared with budget. Reasons for any significant variances between actual and estimated expenditure to date shall be identified. In addition, the Headteacher shall inform the Governors immediately if significant overspendings are likely to occur, resulting in the school budget falling into a financial deficit position.
- 1.6 In order to set a well-informed and balanced budget each year, the school should make a forward projection of its budget, including both revenue and capital funds, for at least three years. This is a requirement of SFVS. The Governing Body shall consider such financial forecast reports, ideally on a termly basis using the best / latest available information.

The Governing Body shall consider the appropriate level of reserves and balances at the school.

Governing boards of maintained schools and academies are legally required to maintain a register of business interest, which lists for each member, including the headteacher, any declared actual or potential conflicts of interests. This record should record any business interests that they, their partner or member of their immediate family have, that might affect their relationship with the school and/or their decision-making, i.e. employment and election to political bodies or corporate boards.

There is no requirement as to how a declaration should be made but it is important the governing board has in place a system to identify and manage any conflicts of interest declared.

- ◇ appointment – interests in the provision for sponsor governors or interests in someone's appointment, reappointment or suspension from office as a governor or clerk to the governing body

The person concerned shall be excluded from any meeting whilst the contract or other matter which relates to their or their immediate family's business interest is being considered and voted upon. The general principle is that no-one should be involved in a decision where his or her personal interests may conflict with those of the governing body.

Departure from these requirements may occur only with the prior approval of the Governing Body and the reasons for not complying with the conditions must be recorded in the minutes of the meeting. The receipt of sponsorship must not be regarded as a valid reason for not complying with these conditions.

- 2.5 The requirement for tenders or written quotations may be waived when a purchase is made under a contract arranged by Central Government or the County Council since arrangements have already been made for securing competition for such contracts.
