

## Can you segment and blend CVC words?

Write the following letters down on pieces of paper. Vowels on one colour and consonants on another.

s t i g c  
a p n o k

Mix all the letters in a large bowl and make a silly soup! The children need to pick out 3 letters (1 vowel and 2 consonants) Unfold the letters and make your word! Some of these words will be silly words (not real). Encourage your child to sound the words out blend them together. E.g. p-i-k k-o-n
