

Can you follow the instructions to make fairy cakes?

You will need the following ingredients: -

100g butter

2 eggs

100g self raising flour

100g caster sugar

1. Pre heat the oven to 170 degrees. Line a cake tray with 12 cake cases.
2. Beat together the butter and sugar. Then add at the eggs one at a time, mixing between each egg.
3. Carefully and slowly add the flour.
4. Spoon into cake cases and cook for 10-12 minutes until the cakes are golden brown on the top.

Take a photo and share it on Tapestry or email!
