

I am making some silly sound soups!  
Each soup needs 3 ingredients which  
start with the same sounds.

I have already made the 't' sound  
soup. I used **t**omatoes, a **t**iger and a  
**t**ap.

Can you make a sound soup for the  
sounds 'p' and 'n' using things which  
start with those sounds? Remember it  
can be silly!
