Summary of Catch-up Premium Use

Additional TA support to ensure Quality First Teaching across the school with teacher-led pupil conferencing and intervention.
Resources to support basic knowledge, skills and understanding including Reading, Writing and Maths.

Targeted use of the catch up premium

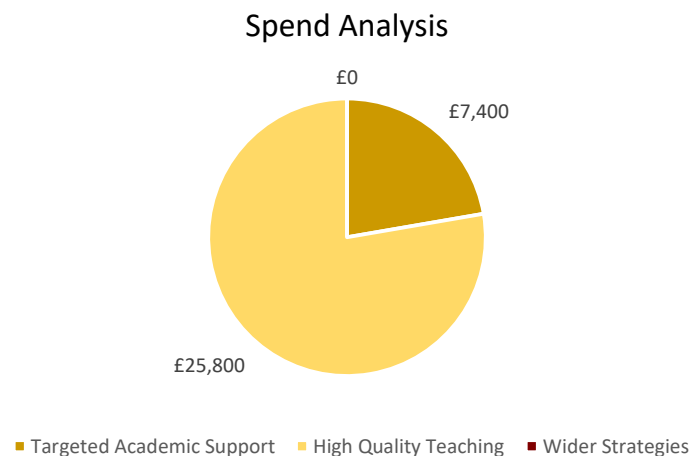

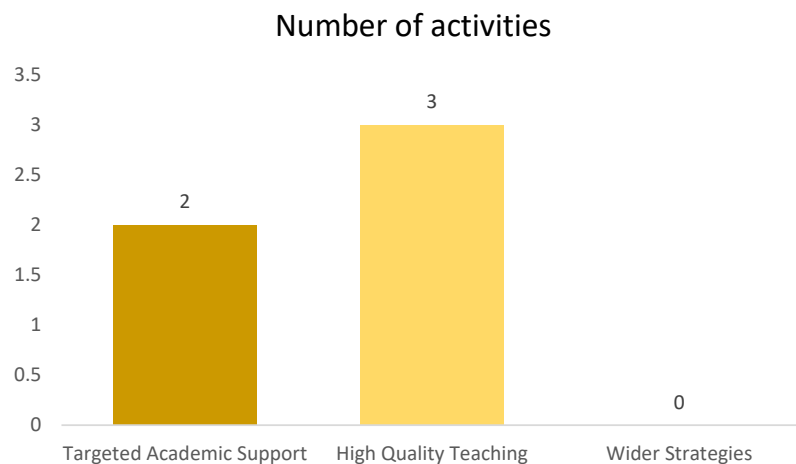

In line with the Education Endowment Foundation (EEF) guidance we have linked all activities being funded by the Catch-up Premium to the 3 support strategies that make up their tiered model to curriculum planning

1. High Quality Teaching e.g. Professional development, assessment, remote learning program
2. Targeted Academic Support e.g. one to one support, small group tuition, redeployment of Teaching Assistants
3. Wider Strategies e.g. Parental engagement, social and emotional learning
