

Design a new animal and write some sentences to describe it.  
You can draw it, use a paint app or use <https://switchzoo.com/zoo.htm>

Think about: What is it called? What does it look like? What does it eat?

My animal is called a cheetaffe.

It can run fast.

It can whip its tail.

It has a long neck and can reach high.

It eats leaves.

**Remember to use a capital letter at the beginning, finger spaces and a full stop.**
