

HRSE – CT1

We learn how to be good speakers and listeners so that we can effectively communicate with those around us about our feelings about change.

HRSE – CT2

We know that we are wonderful and have gifts and talents to share with others. We consider how we can use our talents effectively and how to make sure that we are making the right choices. We consider what we can do to move on from past mistakes and make changes so that we don't make the same mistakes.

Religious Education

We know that God loves us and can explain ways in which we can see His love. We learn about the Kingdom of God through the things that Jesus taught us.

HRSE – CT3

We know how wonderful we are and begin to realise how valuable we are to other people – developing our self-confidence and realising how we change the lives of others.

PSHE

We think about changes that happen as we get older including the change from Year 1 to Year 2. We meet our new teachers and look forward to new challenges.
