

Y3 Art – Form and Shape

Piet Mondrian was a Dutch artist born in 1872. His most famous work involved using simple 2D shapes and the three primary colours.

Vocabulary

Shape	An element of Art that refers to an object in two dimensions
Form	An element of Art that refers to an object in three dimensions
Dimension	A measurement of shape such as length, width, height or volume.

Barbara Hepworth was an English artist and sculptor, born in 1903, who dies in 1975. Like Mondrian, her main work was abstract but she created sculptures out of natural materials.
