

THE BLESSED SACRAMENT CATHOLIC PRIMARY SCHOOL
HOME LEARNING – YEAR 4
WEEK 1

Our home learning this week is on the topic of **All Around The World - Europe**. You can do the work online and send it to your teacher or do it in an exercise book and keep it at home until school reopens.

When you have completed your work, please ask your parents to complete the online questions to help us to know how you are doing. They can do this on the website, from the email or by scanning the code:

Remember to keep checking the school website for videos / messages – we miss you and are here to help if you need us!

MUST	You must complete the 3 maths and 3 English lessons that are listed. If you have access to a laptop / tablet / phone, you will be able to see the slides online. If you need a paper copy, one will have been sent to you by your teacher.		
	Maths 1 – LO: To round distances to the nearest ten.	Maths 2 – LO: To round distances to the nearest hundred.	Maths 3 – LO: To estimate totals using rounding.
	English 1– LO: To analyse and evaluate texts	English 2 – LO: To use commas to mark clauses in complex sentences	English 3 – LO: To use features of persuasive writing
SHOULD	You should do the 3 additional subjects that are listed here. If you want, you can swap some for your brother / sister’s ‘should’ activities and do them together. Please send photographs of your ‘should’ work to your class teacher so we can put some on the Year 4 blog on the website.		
	History Research a famous landmark in Europe. Think about: When and why was it constructed? Why is it significant? Decide how to present your findings eg fact file, tourist guide, model etc	Design Technology – Traditional foods Over the next few weeks, create a cookery book which includes a traditional recipe and some information about its origins for each continent we study. This week we are looking at Europe. You could try following some of the recipes and take photos for your cookery book or you could draw pictures.	Science Research a European scientist. What did they discover/invent? What impact did their discovery/invention have on the world?
COULD	These are your regular activities that will support your learning and help you to remember what we did together in school. Try to complete these every day.		
	Activity 1- Online learning Log in to carry out this week’s online activities. https://www.purplemash.com https://www.prodigygame.com/ Contact you teacher if you need your login name/password.	Activity 2- Bug Club Reading Read your home reading book. When you have finished it find a book with a similar story to read next. Even better write your own similar story.	Activity 3 - Multiplication recall Write out your times tables and practice chanting them. Ask a grown up to challenge you on the times tables you know off by heart.
	Activity 4 PE - Stay active Remember to aim for 60 mins of exercise each day (you can break it into smaller chunks of time) How many different ways can you find to exercise this week eg – take a walk, ride a bike, bounce on a trampoline, practice with a skipping rope, play football.	Activity 5 RE (New life in Jesus) The Catholic Church has celebrations throughout the year: Harvest, Christmas, Easter Resurrection, Pentecost, Feast Days for Saints, and lots more. Find out what’s coming up next and create a fact file.	Activity 6 - Just for Fun Check out some of the activities on the ‘Just for Fun’ part of the school website. They have been suggested by some of our teaching assistants as activities you might like to do.
