Passwords

- Passwords protect your information and stop other people from accessing it.
- Passwords are like a toothbrush, they should never be shared with anyone else.

Reporting

- If you see something online that upsets or scares you:
- At school, tell your teacher or another adult.
- At home, tell your parent, guardian or another adult that you trust

Referencing

- If you use a book or article written by someone else, then you must reference it.
- People should know where you got the information from.
- If you don't do this then it is known as plagiarism.
