

School Benefit Schemes

School benefit schemes continue to be invaluable in helping us to add to school resources. We would like to thank you for all your contributions however small. Even if you don't have children at our school, we would welcome any assistance from the community or from businesses. Please use the contact details on our home page to send us your tokens and cartridges or when registering for qualifying services. Below are details of schemes in which we are currently participating (if you know of any others, please let us know).

Empties Please – Ink Cartridges

And

We have signed up to an innovative fundraising programme called Empties Please which recycles used inkjet cartridges, toners and turns them in to cash for the school.

You can support our Empties Please fundraising programme by donating your own empty printer cartridges and photocopier toners. We have a collection box for these items in the entrance lobby at school & church. So if you normally put empty cartridges in the bin, drop them into the box (or post them directly using one of the envelopes in the box). The funds we raise can be used for vital resources and equipment.

Getting your workplace involved in the programme can generate even more funds for the school as well as benefiting the business in its recycling bid.

So far received £45.50 July 2012.

We Want Your Old Batteries

The school can win prizes for the most batteries collected per pupil.

We have to compete against the other schools in the Preston District. We have a chance of winning prizes at the end of each full term, there are 3 prizes up for grabs and are presented by Lancashire County Council to the school. So the more batteries we can collect, we have more of a winning chance. So please ask family, friends, neighbours and work colleagues to give you, their old batteries to recycle at school.

Clipper Woven Labels

Specialise in supplying high quality woven name tapes, these tags are in high demand for school uniforms and identify children's clothing to avoid the distressing loss of expensive property and clothing. The nametapes are available with a white tape and the identifying names are available in five colours and six lettering styles.

Music Magpie for Schools

MusicMagpie.co.uk is a great way to make money for your school by collecting old and unwanted CDs and DVDs, PS2, PS3, PSP, Xbox, Xbox360, Wii, Nintendo DS & 3DS Games. The money that you raise can be spent on everything from new teaching equipment to games or even days out.

What do we need to collect

To receive payment we need to collect old CDs and DVDs that have their original notes and sleeves as well as a bar code on their reverse. Unfortunately we can't take CDs or DVDs that have been given free in newspapers or magazines as these do not have a barcode. Also we only take CD albums, not singles.

Spare any Change? – Cash 4 Coins

Any unwanted leftover currency from any country, or any old British (or Irish) coins such as 50 10 and 5 pences you have left lying about in a drawer, even from currencies that no longer exist, such as the French franc or Spanish peseta (these currencies were supplanted by Euro coins in 2002) we want.

Although they aren't legal tender in the UK, foreign coins have a habit of winding up in people's pockets anyway. Their lack of value means that they can't be exchanged at airports, and travellers often return from abroad with pockets full of small change. Over time, these collections can build up. Interesting designs and memories of travel can make spare coins from overseas valued mementoes.
