

Friday 29<sup>th</sup> May, 2019

Dear Parents/Carers,

**Increasing number of students from June 1<sup>st</sup> onwards – Update**

Our primary provision, Little Bridge, will be opening up to more students from the **2<sup>nd</sup> June 2020**. Students of Key Workers will continue to be prioritised as well as students from **Year 1** and **Year 6**. The Parents of all these pupils this accounts for, have been written to - with individual learning plans and timetables. All other students in Year 2, 3, 4 and 5 should continue stay at home and complete the online work set in Microsoft Teams.

Our secondary provision, The Bridge Centre, will continue to prioritise students of key workers and vulnerable families. However, **from June 15<sup>th</sup> 2020** we will be offering bespoke face to face timetables for students in **Year 10** to help them prepare for exams next year. In addition, students in **Year 11** will be invited in to ensure that plans for post 16 are secure. All students will receive a letter detailing their individual offer in due course.

For further information around Covid-19 and advice on how to support your child through these difficult times, please see our Parents section of the website. You will also find any work for students to complete at home under the 'Home Learning' tab.

As ever, our staff will endeavour to keep in touch with all of you to help answer any questions you may have.

We are looking forward to seeing more of you over the coming weeks but recognise that this needs to be managed in the safest way possible.

With kindest regards

Andrew Burton

Executive Headteacher

“READY, RESPECTFUL & SAFE”

“Believe, Inspire & Set No Limits”
