Principal : Elaine Murphy

Dear Parents and Carers,

As part of our science learning in Term 6, we will be identifying and classifying animals by exploring their features. To support this learning, we are excited to let you know that we have arranged for *Jonathan's Jungle Roadshow* to visit the children in school on **Monday 29<sup>th</sup> June 2026**.

Jonathan specialises in providing professional animal encounter sessions that are educational, interactive, and fun. During the session, children will be introduced to a wide variety of animals and will have the opportunity to observe their similarities and differences. They will also consider how these features can help us group animals in simple ways.

The cost for this exciting experience is **£6.42 per child**, payable via **the trip tab on Arbor**. Please ensure payment is made by 7<sup>th</sup> June 2026. If you have any difficulty making this payment, please speak to the school office as soon as possible. Unfortunately, if we are unable to collect enough contributions to cover the cost, the event may need to be cancelled.

We are really looking forward to this exciting day and are confident it will be a fantastic enhancement to the children's learning.

Thank you for your support,  
**The Reception Team**
